

NMBHS Student Council

An active student government body, working with Josten’s Renaissance, student leaders are elected by their peers to address issues of concern and organize student events and activities.

Students must meet Student Leadership criterion and apply for membership. Elections for officers in grades 10–12 occur in the spring, while 9th grade officers are elected in the fall.

Mission

The NMBHS Student Council seeks to promote, organize, and execute school activities that encourage school spirit and promote citizenship. We seek to strengthen relations between administration, teachers, and students.

Experiences

- Work with administrators, teachers, and staff to successfully execute school events and activities, including Freshman Orientation and Options Night.
- Regularly gather feedback from student peers to plan activities that align with student interests.
- Plan homecoming week activities with themes, dress-up days, our annual homecoming parade, and dance.
- Plan spirit weeks and pep rallies, as well as social events such as prom at Sea Trail Resort.
