Dear Iroquois Red Hawks,

We are thrilled to welcome all new students and parents to Iroquois High School! We hope the summer has been full of rest, enjoyment, and positive growth! Starting high school is an exciting time and we are eager to support your child as they transition to a great experience at Iroquois High School.

Freshmen and New Student orientation will take place on **Wednesday, September 2, 6:00 p.m. to 8:30 p.m.** This event is very important for **all Freshmen, New Students, and Parents to attend!** At the start of the program, parents and students will gather in the Auditorium together. Later, students will split off for a session with a panel of teachers and students, while parents will hear about presentations regarding support strategies and career pathways.

We highly encourage all students to get involved with at least one of our many student activities. Often, our most successful and thriving students are highly engaged participants in our variety of extracurricular offerings and school environment. We also ask that you review your child's schedule. Students must challenge themselves to the highest extent possible to meet their academic potential and those habits begin early. We encourage students to fill their schedules with classes. Please contact your child's counselor if you are interested in adding any courses or with any other scheduling questions.
