Continuous Improvement Process (CIP Goals)

By the end of the 2026-2027 school year, Conestoga Public Schools will fully implement a cohesive district MTSS system in the areas of reaching math and SEL to support growth for students and staff by enhancing core practices.

1. Conestoga will increase scores on state benchmark assessments by implementing components of Universal Design for Learning to support elements of MTSS instruction.
2. Conestoga will prioritize standards for all classes.
3. Conestoga will vertically align the priority standards.
