Mr. Bridges and Ms. Davis gave an update on the current Title 1 funding budget. Ms. Davis stated that the request for the education resources has been submitted for approval to central office, which could be a delay due to holiday breaks for Thanksgiving and Christmas.

Mr. Bridges stated that we need to start thinking about what works and what does not work for our students & staff as we get into the Spring semester and for the 2026-2027 school year.

Teachers will provide input and feedback on the needs, what worked, what isn't working and best practice procedures/resources for students and staff at the Spring CEIC Meetings.
