August 2026

Dear Morris Hills High School Parents/Guardians:

Welcome to the 2026 – 2027 school year at Morris Hills High School.

To offer parents/guardians an opportunity to personally meet the teachers of their children and to gain an understanding of course content and student performance expectations, Morris Hills High School hosts Back to School Night very early in the school year. This year is no exception. It is with a great deal of pleasure that I extend to you an invitation to attend such an evening of introduction and information. I encourage your participation and welcome your presence.

Due to the popularity of our Back to School Night evening program and our ever-increasing student population, Morris Hills High School is hosting two Back to School Nights for the 2026 – 2027 school year. Your attendance is based on the following system:

September 15, 2026 is the date for attendance by parents of students whose last names begin with A through L.

September 23, 2026 is the date for attendance by parents of students whose last names begin with M through Z.

I respectfully request that all parents abide by this alphabetical breakdown due to our limited ability to provide adequate parking for the entire parental population at one time.

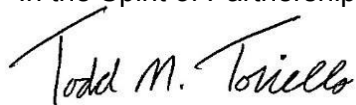

Handicapped parking is available in the front of the building, as well as in the “bucket” located in the rear of the building. Additionally, we have the availability of an elevator which will be operated by school personnel throughout the evening.

The Back to School Night Program begins promptly at 7PM. Parents are asked to report directly to their child's Block 1 class. The program is co-sponsored by our Home and School Association whose representatives will be in attendance to greet you, along with administrators and faculty.

“Z – Block” will begin at 6:45PM for parents/guardians of children enrolled in the Academy for Math, Science, and Engineering. Parents/guardians should report to their child's Z – block classroom.

Our Back to School Night is a perfect opportunity for parents to begin a new school year as partners and active participants, gaining invaluable insights regarding their child's academic program and the people responsible for delivering it. I hope you will make every effort to attend and, as always, I look forward to greeting you.

In the Spirit of Partnership,

Todd M. Toriello, Ed.D.
Principal
