Safety Folders	Do you all have In an emergency, take action signs in your room? Everyone is getting a red safety folder that outlines protocols. Keep them by the door.
Water Bottles	Can we make a school-wide expectation that students need water bottles that close completely (no big cups with straws). This is already an expectation for some classes, but we are seeing a lot of spills in some of the lower grades. Not going to set a schoolwide message right now. We should readdress at the beginning of the year. Teachers can tell their students. Should only have water in water bottles.
SIP	Review and update the indicators.
