### K-12 CENTRAL REGISTRATION

#### General Registration Information

All Pleasant Valley School District's registrations must be completed online. All Kindergarten students must be 5 years old by September 15th in order to register. If you have any questions or need to speak in person to the registrar, the registration office is located at the Administration Building, 2233 Route 115, Suite 100, Brodheadsville, PA 18322. The office hours are Monday through Friday from 8:00 AM to 4:00 PM or 570-402-1000, extension 8010 throughout the school year. Please visit our website for more information.

### 2027-28 KINDERGARTEN REGISTRATION INFORMATION

When Kindergarten registration opens for the 2027-2028 school year, information and a link will be posted on our website.

### EMERGENCY SCHOOL CLOSINGS

The Pleasant Valley School District will make every effort to close schools when travel would compromise the safety of students and school district personnel. However, there are times that, as a result of inclement weather or a failure in the power and/or heating systems of the schools, or for other emergency/safety concerns, it is necessary to close the schools either before the school day has begun or during the school day. If there is a need to enact a closing, announcements will be made immediately through the appropriate media and an automated phone message will be generated. Students and their parent(s)/guardian(s) can also tune into local radio or TV stations for this information (some stations are listed below). Parent(s)/Guardian(s) should also pay particular attention to possible delays in bus pick-ups, late arrivals home, or early dismissals and are responsible to listen to public announcements regarding weather emergencies. Interested parties may also call the school district's main number for emergency closing information at 570-402-1000 and check the district's website at [www.pvbears.org](http://www.pvbears.org). Please refrain from contacting individual school offices or individual central administration offices to obtain information regarding school closures or early dismissals.

Also, parent(s)/guardian(s) are responsible to develop a plan for dealing with instances when school is closed or when children will be dismissed early from school and to inform their children about what to do or where to go in the case of an early dismissal. This should be done early in the school year so that all children are properly prepared for early dismissal at any time.

### S2SS - Safe to Say Something

The Pleasant Valley School District (PVSD) is committed to the safety and well-being of our students and educators. We believe this commitment includes the implementation of programs that involve parents, teachers, support staff, administrators, local law enforcement, mental health & wellness professionals, and officials from the Pennsylvania

Department of Education to take meaningful action to protect our students, staff and community.

As a part of that effort, PVSD is joining districts across the Commonwealth in rolling out the Safe2Say Something (S2SS). Mandated by Pennsylvania State law, S2SS is an anonymous reporting system designed to help students and staff recognize the warning signs and signals (especially on social media) of individuals who may be a threat to themselves or others. The S2SS program trains students and school staff members to treat every warning sign seriously and to act quickly to get help by talking to a trusted adult and/or by reporting it anonymously via phone, mobile app, or website to the Pennsylvania S2SS Crisis Center. District staff members are trained to respond to and manage tips that are reported via:

- <https://www.safe2saypa.org/>
- Tipline: 1-844-SAF2SAY
- Mobile App for Apple and Android Devices

For more information, please see our website <https://www.pvbears.org> or the Safe2Say Something website at <https://www.safe2saypa.org>.

### Bears Academy

Pleasant Valley School District is partnering with Imagine Learning to offer our students the Bears Academy (BA), an outstanding cyber experience with our teachers and top notch curriculum.

Please contact Jason Van Voorhis, Director of Instructional Technology and Innovation/Ariana Leibenguth, Bears Academy (BA) School Counselor at 570-402-1000, Extension 4040 or email [bearsacademy@pvbears.org](mailto:bearsacademy@pvbears.org) for more information.
