

CLEAR BAG POLICY

In an effort to improve security for patrons of Princeton ISD events, the district has adopted a clear bag policy for events outside of the normal school day. This is similar to what several surrounding districts have had in place.

To clarify, this policy is in effect for events outside of the normal school day. This will apply to sporting events at the stadiums and gyms. This is not a clear backpack policy for students at school.

Student groups such as bands, cheerleaders, drill teams and trainers will be allowed to have bags if they enter with their groups at the appropriate entrances. Along with the clear bag policy, outside food or drink will be prohibited at these events.

Princeton ISD BAG POLICY
