Logging in using the Frontline App using SSO

1. Open the Frontline mobile app.
2. Tap “Or Sign in with Organization SSO.”

3. Enter in your district email address

4. You will be prompted to enter in your district email/password again.

MFA is required to access Microsoft 365 apps and services from outside the district network. You must set up Multi-Factor Authentication (MFA) for your district account before logging in to the Frontline app when not connected to the district network.

INSTRUCTIONS FOR SETTING UP MFA: Microsoft MFA - Setting up Multi-Factor Authentication for Your District Account - Self-Service Portal
