LUNCH

Lunch will be eaten in the classroom. Students will have the opportunity to order cafeteria lunch or eat their lunch from home. **Lunch should be NUT FREE.** Please practice how to open and close food containers and wrappers. This will help during lunchtime. We will have the children wash their hands before lunch and snack.

In kindergarten, we will be fostering independence. To support our efforts, please work on the following skills with your child: tying shoelaces, buttoning pants, and zipping up jackets. The more experience your child has with practicing these tasks, the more quickly they will become proficient.

PLEASE CHECK THE RIS WEBSITE DAILY FOR IMPORTANT ANNOUNCEMENTS.

Kindergarten is an incredible adventure and a transformative year of learning. We look forward to this amazing journey with you and your child!
