Permission to Release

According to school policy and state law, bus drivers are not allowed to release an elementary age student from the bus unless they can see a parent or guardian at the bus stop. If the parent/guardian is not present at the bus stop, the elementary age student will be returned to Carrollton Elementary School. Parents and students need to be at the bus stop at least 5 minutes prior to loading and unloading in the afternoon. If you choose to give permission for your elementary age child to be released from the bus with a middle school-aged sibling or parent designee without you present at the stop, please complete this form.
