Dear Parents,

This week we will continue introducing our students to Pre-K 3! We will spend time meeting our teachers, making new friends, learning classroom procedures, and creating an "All About Me" book. We will also begin working on fine motor skills through a variety of hands-on activities. Students will participate in P.E. and Spanish this week as well!

We are excited to continue getting to know your children and begin a wonderful year together!

Your Pre-K 3 Teachers,
Chalise and Ramsay
