

Dear Students, Families, Staff, and Community Members:

On behalf of the Board of Education and the entire school district, I am excited to welcome everyone to the 2026-2027 school year. A new school year always brings a sense of optimism, opportunity, and excitement as we prepare to welcome our students back into our classrooms.

Our district remains committed to providing a safe, supportive, and engaging learning environment where every student has the opportunity to succeed. We are proud of the outstanding work of our teachers, support staff, administrators, and coaches who dedicate themselves each day to helping our students reach their full potential both academically and personally.

This year promises to be another exciting one for our district. We continue to invest in our students through improvements to our facilities, expanded learning opportunities, and programs that prepare students for success in college, careers, and life. We are grateful for the continued support of our families and community, whose partnership plays an essential role in the success of our schools.

To our students, I encourage you to approach this year with enthusiasm, curiosity, and determination. Take advantage of every opportunity to learn, participate, and grow. Whether you are entering school for the very first time or beginning your final year before graduation, each day offers a chance to build new friendships, discover new interests, and achieve your goals.

To our parents and guardians, thank you for entrusting us with your children's education. Your involvement and encouragement make a tremendous difference, and we look forward to working together throughout the year to ensure every student is successful.

As we begin another school year, let us all embrace the spirit of teamwork, respect, and pride that makes our school district such a special place. Together, we will continue to create opportunities for every student while building a stronger future for our entire community.

We look forward to seeing everyone back in our classrooms and at our many academic, athletic, and extracurricular events throughout the year.

Best wishes for a safe, successful, and rewarding 2026-2027 school year.

Yours in Education,

Kirk W. Baker
Superintendent
Jackson-Milton Local Schools
