

Santa Fe ISD Superintendent of Schools

Dr. Kevin M. Bott, Ed.D.

To our Santa Fe students, staff, parents, and community,

Greetings everyone! We hope you've enjoyed a restful summer. As always, we are fortunate and blessed to welcome back over 4,000 students to our Santa Fe schools next week. Our teachers and staff are working hard to prepare for our students tomorrow! Here are just a handful of brief updates that are pertinent to our SFISD students and families:

Registration – Our Skyward registration systems are up-and-running. Please be sure to login to Family Access and complete all registration requirements & updates for your students as soon as possible. This is extremely helpful in providing all students with the best possible education.

ParentSquare – Our ParentSquare App is now the official parent-communication platform for all things Santa Fe ISD! We encourage you to download the ParentSquare Application and receive up-to-date information about our students and schools. Thank you!

Local Accountability System – Santa Fe ISD recently received approval from the Texas Education Agency to pursue a Local Accountability System in conjunction with TEA's State Accountability Letter Grades. Our long-term goal is to eventually include more relevant, local SFISD factors in our Letter Grade Accountability (other than just state test scores). Please be on the lookout for local community feedback and accountability forums. We look forward to hearing from you!

Social Media – As always, we encourage you to follow SFISD on all our social media platforms. In combination with ParentSquare, we are committed to keeping our parents and stakeholders informed about our school district to the greatest extent possible. Our students and staff are always doing great things!

To our Santa Fe parents and stakeholders – we are truly thankful to have you in SFISD. On behalf of our SFISD School Board and district leadership team, we invite you to partner with us as we work diligently to provide every student in Santa Fe ISD with the best education possible. We wish all of you a safe and blessed school year!

Sincerely,

Kevin M. Bott, Ed.D.
SFISD Superintendent

Our Community. Our Legacy.
OUR FUTURE.
