Student Photo Release

Sign this form **ONLY IF** you want to **deny** the use of your child's photo in news publications, school programs/athletic scores, yearbooks, and social media pages.

At different times throughout the school year, I-SS or school representatives and media outlets request permission to film or photograph students in our schools. They subsequently publish, broadcast, or use these materials, which often include images and depictions of students.

Furthermore, I-SS and other media outlets report athletic game highlights, school concerts/programs, or other educational events that may include students' names, as well as students' work.

Please mark each box NO as it applies to your child ONLY FOR each item you want to DENY.
