Participation of Homeschoolers in Intramural Athletics and Activities

Homeschooled students residing within the State College Area School District shall be eligible to participate in Intramural Athletics at the school corresponding to their zoned attendance area. Each student shall be required to follow the rules of the school and the policies of the State College Area School District.

Transportation to and from scheduled practices and events shall be the responsibility of the parents/guardians of homeschooled students, except when late bus transportation or group transportation is provided by the District.

Procedures

Parents/Guardians will be responsible for the following:

1. Register their child with the Student Registration Office by February 20 of the school year **preceding the school year in which they plan to participate.**
2. Contact the appropriate building each season to determine the Intramural offerings for that season:
 - **Elementary Schools:** Building Principal
 - **Middle Schools:** Assistant Principal
 - **High School:** Athletics Office

State College Area School District will be responsible for the following:

- Communicate the name(s) of registered homeschooled students to the appropriate building.
