

2027-28 Admission Guide: Application Process & Key Dates

Admission Application

Please [click here](#) to begin your application. Once your application has been processed, you will receive access to your personalized online admission checklist. This guide serves as a helpful reference, outlining the grade-specific requirements and key dates for each stage of the application process.

Fall Admission Events

Learn more about life at ROBS by attending one of our fall admission events. These events provide an opportunity to explore our campus, meet members of the ROBS community, and learn more about the admission process.

First-time applicant families are required to attend one on-campus admission event. This requirement is waived for current ROBS families and returning applicant families.
