MS. EMMY TRIPP GUEST TEACHER

WELCOME

Hello! My Name is Ms. Emmy and I'm so excited to welcome you to a new school year as your long-term guest teacher. One of the things that stands out to me most about Free Horizon Montessori is how each child is recognized as a unique learner and given the space, encouragement, and guidance to discover what they are capable of. I believe children thrive when they feel known, respected, and trusted. I love being part of a school that helps students build confidence and independence. I look forward to getting to know each student, celebrate their growth, and help create a warm classroom where they feel comfortable asking questions, exploring, and learning. May our time be filled with curiosity, kindness, confidence, and lots of opportunities to learn and grow!

ABOUT ME

I have a bachelor's degree in Elementary Education from Washington State University and have 3 years of guest teacher experience working with students Pk through 5th grade. My family and I have lived in four different states due to my husband's career. I'm also a proud mom of two! One of my children is a sophomore at Colorado State University while my other will be starting as a freshman at Golden High School this year. In my free time, I enjoy hiking, camping, gardening, and gluten free baking with my family.

CONTACT

I believe our communication will be key, so please don't hesitate.
