

HUSKIES
HORIZON

Horizon Middle School opened in 2001 as a replacement for Hughes Middle School. In 2017, Horizon Middle School was expanded. In addition to the work planned at HMS, the bond would also provide several benefits to students entering Century High School.

## WHAT STUDENTS WILL EXPERIENCE

### HORIZON IMPROVMENTS

- Update energy management system, to preserve resources
- Heat pump replacement
- Update boiler to improve efficiency and reliability

### CENTURY IMPROVMENTS

- New auditorium, for music performance and school events
- Expanded physical education and health spaces
- Update heating, ventilation and building controls

### BENEFITS ACROSS THE DISTRICT

- A new central kitchen will improve meal offerings, more locally sourced foods
- Increased equity in learning spaces between schools
- More spaces for community use
