

Pick-Up / Drop-Off Map

You may drop off or pick up on Yampa, Royer, or on El Paso outside of the designated bus loading areas—you may not park to pick up on the opposite side of El Paso near the buses because when buses are loading, the street becomes impassable in both directions

Traffic should flow one-way along the yellow lines.

Parents and visitors may not enter the staff parking lot at any time.

Please do not block driveways if dropping off or picking up on residential streets.
