Dear Brecksville-Broadview Heights Families,

The Food Service Department hopes you're enjoying a wonderful, relaxing summer! As we prepare for the upcoming school year, please review the important information below regarding free and reduced-price meal applications, meal pricing, and menus.

Please visit www.payschoolscentral.com to complete your free and reduced price meal application. You can also use PaySchools Central to check student balances and transactions, add funds, transfer money between siblings, and pay school fees. Cash or check payments are also accepted at your student's school building.

If your student ended the 2025–2026 school year with a negative meal balance, that amount has been rolled into their school fees and is labeled as "Meal Balance 2025–2026 SY."

Under ongoing Ohio legislation, all students eligible for reduced-price meals will receive breakfast and lunch at no cost starting on the first day of school.

Breakfast Prices:

Elementary: \$2.00

Middle and high school: \$2.25

Reduced: No cost

Non student/Adult: \$2.65

Milk only: \$0.50

Lunch Prices:

Elementary: \$3.50

Middle school and high school: \$3.75

Reduced: No cost

Non student/Adult: \$5.00

Milk only: \$0.50

All school menus are available through MySchoolMenus, an interactive tool that provides full nutritional and allergen details to help students customize their meals. MySchoolMenus can be accessed under the Food Services tab on the district website or by downloading the free MySchoolMenus app.

If you have any questions, please feel free to reach out to the Food Service Department. We look forward to serving healthy, delicious meals to your students every day!

Thank you!
