

STOP! Read this first.

Much of the information contained in the enclosed **Summary of Benefits and Coverage** (SBC) does not directly apply to your health reimbursement arrangement (HRA). SBCs are mandated by federal health care reform to help consumers understand and compare health insurance plans. While your HRA is a group health plan, it is not insurance. Some of the information and defined terms in the enclosed SBC are not applicable to your HRA.

When reading through the enclosed SBC, keep in mind:

- **Your HRA is not an insurance plan. It is an account you can use to reimburse your qualified out-of-pocket medical care expenses.**
- **Your HRA is funded with employer contributions, which may include mandatory salary reductions.**
- **With your HRA, you do not have co-pays or deductibles, and you do not pay a premium for HRA coverage unless you have elected COBRA continuation of coverage. However, you can use funds in your HRA to reimburse these types of qualified expenses if your HRA is claims-eligible.**
- **Qualified expenses for your Garner HRA, as defined by the IRS, include services received from any Garner “top” provider.**
- **Your maximum benefit (reimbursement) amount from the Garner HRA is \$950 for self-only coverage or \$1,900 for family coverage, up to your available HRA account balance at the time your claim is processed.**

To learn more about your Garner HRA Plan benefits, your best resource is the **Garner HRA Plan Summary**. To get a copy, log in at **website** and click **Resources**, or contact the Garner HRA concierge team by calling 458-488-4828.

The Summary of Benefits and Coverage (SBC) document will help you choose a health [plan](#). The SBC shows you how you and the [plan](#) would share the cost for covered health care services. **NOTE:** Information about the cost of this [plan](#) (called the [premium](#)) will be provided separately. **This is only a summary.** For more information about your coverage, or to get a copy of the complete terms of coverage, contact Moda Health at www.modahealth.com or by calling 1-888-217-2363. For general definitions of common terms, such as [allowed amount](#), [balance billing](#), [coinsurance](#), [copayment](#), [deductible](#), [provider](#), or other underlined terms, see the Glossary. You can view the Glossary at www.healthcare.gov/sbc-glossary or call 1-888-217-2363 to request a copy.

Important Questions	Answers	Why This Matters:
What is the overall deductible?	For network providers \$2,150 coordinate care individual / \$2,250 non-coordinated individual/ \$4,500 family; for out-of-network providers \$3,750 individual / \$7,500 family.	Generally, you must pay all of the costs from providers up to the deductible amount before this plan begins to pay. If you have other family members on the plan , the overall family deductible must be met before the plan begins to pay.
Are there services covered before you meet your deductible?	Yes. Examples of some services: In-network most preventive care , breastfeeding support, tobacco cessation treatment, as well as in and out of network value tier medications and breastfeeding supplies are covered before you meet your deductible .	This plan covers some items and services even if you haven't yet met the deductible amount. But a copayment or coinsurance may apply. For example, this plan covers certain preventive services without cost sharing and before you meet your deductible . See a list of covered preventive services at https://www.healthcare.gov/coverage/preventive-care-benefits/ .
Are there other deductibles for specific services?	No.	You don't have to meet deductibles for specific services.
What is the out-of-pocket limit for this plan?	For network providers \$7,550 coordinate care individual / \$7,900 non-coordinated individual/ \$15,800 family; for out-of-network providers \$14,250 individual / \$28,500 family.	The out-of-pocket limit is the most you could pay in a year for covered services. If you have other family members in this plan , they have to meet their own out-of-pocket limits until the overall family out-of-pocket limit has been met.
What is not included in the out-of-pocket limit?	Premiums , balance-billing charges, expenses incurred due to brand substitution and health care this plan doesn't cover.	Even though you pay these expenses, they don't count toward the out-of-pocket limit .
Will you pay less if you use a network provider?	Yes. See www.modahealth.com or call 1-888-217-2363 for a list of network providers .	This plan uses a provider network . You will pay less if you use a provider in the plan's network . You will pay the most if you use an out-of-network provider , and you might receive a bill from a provider for the difference between the provider's charge and what your plan pays (balance billing). Be aware, your network provider might use an out-of-network provider for some services (such as lab work). Check with your provider before you get services.
Do you need a referral to see a specialist?	No.	You can see the specialist you choose without a referral .

 All [copayment](#) and [coinsurance](#) costs shown in this chart are after your [deductible](#) has been met, if a [deductible](#) applies.
