The Special Conditions Form is for families who have experienced extenuating circumstances that may not be accurately reflected in the information provided on the FAFSA. If approved, your financial aid eligibility will be determined by calculating either your real income for 2025 or your projected annual income for 2026. Before your request can be considered, a processed 2026-2027 Free Application for Federal Student Aid (FAFSA) **must** be on file with Baltimore City Community College.

If the FAFSA has provided you with a Student Aid Index of 0 or is a negative number, you are **NOT ELIGIBLE** for a Special Conditions review.

PLEASE BE ADVISED:

- **You are responsible for payment regardless of your request for a Special Conditions.**
- **Special Conditions do *not* guarantee an increase to the financial aid.**
- **Your institutional aid may not be increased as a result of this appeal process.**
- **The decision of this Special Conditions process is final; there is no appeal process to the Department of Education**

Please provide all of the requested documentation. Each request is evaluated on a case-by case basis. Because of the individualized nature of these requests, we may need to request additional information. If we do, we will contact the student via email. **All** communications regarding approval, denial or requests for additional information will be directed to the student's Baltimore City Community College email address.

I certify, that all required documents must be submitted prior to reviewing my request for Special Conditions. Due to the complexity of Special Conditions Appeals, please allow 3-4 weeks for processing once our office has received all required documentation.
