Dothan City School

Policies and Procedures for Facility Use

The Dothan City School System (DCS) recognizes that from time to time organizations both affiliated with the school system and not affiliated with the system will want to use school system facilities.

Effective January 1, 2019, DCS requires that all use of its buildings, athletic fields and other facilities follow District guidelines regarding approvals required, nature of use, and fees charged.

APPROVAL

Any extracurricular use of DCS facilities is required to be approved no less than 15 days in advance. Use of school facilities are to be approved by both the school Principal and the Facilities Director before any organization, group or individual(s) may use Dothan City School System (DCS) facilities.

A Facility Use form (Exhibit A) is to be completed each time a request is made to use a DCS facility. In scheduling facility use, preference should be given to requests for use that are for the benefit of DCS students participating in school sponsored activities. Fees for use of a DCS facility will be charged in accordance with the then current Facility Use Fee Guideline matrix. DCS reserves the right to approve deviations from the guideline fees based upon the specific circumstances involved with the proposed use of the facility. Deviations from the Facility Use Fee Guideline matrix must be approved by the Superintendent or his designee no less than 15 days in advance of the event.

PERMITTED ACTIVITIES

Groups using any DCS facility will enforce the school's prohibition against smoking, drugs, alcohol, weapons and other such activities and/or items on school premises. Failure to do so can and will cause cancellation to use DCS facilities. The purpose and nature of the program or

activity must be consistent with what would be considered reasonable and customary for school aged children.

INSURANCE

Groups not a part of DCS are required to provide a Certificate of Insurance, naming Dothan City Schools Board of Education and its members as an additional insured. A certificate verifying the existence of such insurance should be presented to the Director of Facilities with the completed Facility Use Form no less than 15 days prior of when the facility is proposed to be used. Failure to provide this certificate, pursuant to these guidelines, will void the use of DCS facilities by the group or organization.

DAMAGES

Groups using DCS facilities assume full responsibility for any and all damages to the school facility caused directly or indirectly as a result of the use of the facility. The group using the facility agrees to assume full responsibility for the cleanliness of the school facility and grounds. Furthermore, groups using these facilities agree to return the facility to the Board in the same condition as existed prior to the group's use. Groups must engage a DCS custodian to be present to ensure the facility is cleaned and will pay DCS pursuant to the facility fee matrix.

SITE SUPERVISION

An employee of DCS is required to be on site at all times. The Site Supervisor must be a keyholder for the building and must be either a teacher or administrator. The group using the facility agrees to pay the current hourly rate for Site Supervision. Site Supervision fees are in addition to other charges such as facility use, custodial fees and security fees. Checks should be made payable to the school and a copy of the check should be sent to the Director of Facilities. The school will process payment to the teacher or administrator through Central Office payroll. Site Supervision for groups that desire to use DCS facilities between 3:00pm and 6:00pm during a school day may be available from staff on duty at that time. In such event, the Site Supervision fee may be waived.

CUSTODIAL SERVICES

All groups using DCS facilities acknowledge that it is their responsibility to leave the facility in a clean and orderly manner. Custodial Services are mandatory and will be arranged in advance. Groups using a gymnasium, cafeteria or athletic field for 8 hours or longer, selling concession, or serving food will be required to submit a \$150 Clean-up Deposit.

SECURITY SERVICES

Security services are available at an hourly rate through the school. DCS reserves the right to require a group to contract for security.

FACILITY RENTAL FEES

All facility rental fees collected will be remitted to the school along with the Facility Use Form and the group or individual's Certificate of Insurance. These funds will be deposited into the DCS bank account by the school.
