

Parent User Guide: Student Transportation Routing Schedule

Please read the following directions completely and use them to gain access to your student's transportation schedule.

Using the Bellevue Public Schools District App

If you already have the BPS District App and have signed into your parent/guardian account, please go to Step #2 below.

1. Scan the QR code to the right with an iOS or Android device to download the BPS District App (BPSNE) from the App Store or Google Play.
2. Once the App is downloaded, open the App and navigate to the More button on the bottom tool bar.
3. Select Student Grades/Info icon
 - a) Enter your username and password. If you have not accessed your account on the app before, an account activation message will be sent to the parents/guardians' email address that is on file in PowerSchool. (If you do not receive an account activation message please contact your child's school office to obtain the Parent ID number for access.)
 - b) Once logged in, you will see the name of each child you have enrolled in BPS. Click on each child's icon to see information specific to them
 - c) Then under each child you will click on Bus Info to view their bus number, and pick up and drop off locations and times.

Additional Information you'll find in each section under your child(ren):

Classes - View your student's current class schedule, teacher names, assignments, and attendance for each course. Access individual assignments, scores, and any teacher comments or feedback.

Attendance - Check daily attendance records including present, absent, tardy, and excused/unexcused status.

Additional Information - Such as high school student activity cards, open campus lunch and late start/early release

Cafeteria Balance - Monitor your student's lunch account balance.

Bus Info - See the bus number, pick-up/drop-off location and times.

Email Addresses - View your student's school-issued email address.

Addresses - Confirm your current home address and any alternate addresses on file.

Parents/Guardians - See all authorized parents and guardians with account access. View your contact information and relationship to the student.

Using a web browser

If you do not have the ability to access the mobile app, you can still view your student's information.

- Go to: <https://bellevuepublicschools.parentlink.net/main/login>
- Enter your username and password. If you have not accessed your account on the app before, an account activation message will be sent to the parents/guardians' email address that is on file in PowerSchool. (If you do not receive an account activation message please contact your child's school office to obtain the Parent ID number for access.)

OR

- Sign in using Google: If you have a Google email account and that account is on file in PowerSchool, you can select this option to access your student's information.
