GAME DAY PARENT TRANSPORTATION

The Delano Joint Union High School District Athletic Code (BP/AR 6145) regarding transportation states:

All participants will ride to and from all school related athletic events on district provided transportation. Any request to use private transportation must be submitted to the Athletic Director for approval prior to the event. Requests may or may not be approved. The requests must be made in written form and signed by the legal guardian of the student. The only exception is if the coach knows the parent or legal guardian, who in person asks the coach to take their child. This should only be done in an emergency. All other requests should be submitted in advance to the Athletic Director. Under no conditions should the athlete be released to anyone other than the legal guardian/parent.

If a parent or legal guardian is unable to provide transportation for a student, any alternative individual designated to pick up the student must be formally listed within the student's demographic or contact records as an authorized family member or approved contact.

Note: The CCHS Athletic Department encourages athletes to travel to and from away athletic events with the team. If parents/guardians need to transport athletes to/from away events, permission may be granted on a per event basis. ***Parent transportation form will not be approved the day of the event.**
