

PARKING DECAL: _____

Dear Patriots,

Every student who wishes to drive to school must register their car with the Security Office each school year the student wishes to drive. If your student fails to register their car, they face consequences ranging from a warning all the way to suspension/loss of driving privileges. Please follow the steps below to have your car registered with my office.

1. Print a copy of this letter, rules for all student drivers on campus and a vehicle registration form. Packets can also be obtained in the Security Office G205.
2. Fill out the vehicle registration form. Please note that by signing the form you are also stating that both parent and student have read the rules and will abide by them. The cost of registration will be \$50.00.
3. Bring form and payment/proof of payment to the Security Office G205 for a decal that will be placed on the front windshield, lower left side of your student's car and must always be visible. If you wish to make payment online, click on the link provided and follow the instructions. Please note registration is not complete until the Security Office has received the documentation requested and issued a decal. If you have any questions, please contact Mr. Albert Hernandez, Head of Security, at albert.hernandez@floridachristian.org.

Thank you,

Albert R. Hernandez

Head of Security
