

2026-2027 SPONSORSHIP AND ADVERTISING OPPORTUNITIES

ARTS SPONSORSHIP OPPORTUNITIES:

When you become an Arts Sponsor, you invest in more than performances—you invest in the creativity, confidence, and growth of St. Francis students. Your sponsorship gives young women the opportunity to discover their talents, find their voices, and experience the transformative power of the performing arts.

Each year, the St. Francis Arts Department brings more than 20 performances to our stage, including six main-stage productions and community outreach programming. Behind every memorable production are the resources that make it possible: costumes, sets, lighting, music, equipment, and educational opportunities that allow our students to create, perform, lead, and shine.

2026–27 ARTS SPONSOR — \$1,500

Your sponsorship includes:

- Prominent recognition for the show of your choice as a Patron of the Arts Sponsor in season programs, printed materials, on the St. Francis website, and in select promotional communications.
- VIP reserved seating for up to 12 guests at the performance of your choice.
- An exclusive pre-show reception for up to 12 guests, on a date coordinated with our Director of the Arts.
- A personalized theater star plaque, permanently displayed on an available seat in our 500-seat theater, celebrating your commitment to the arts at St. Francis.

Your support does more than help put a production on stage—it helps put possibility in front of our students. Every performance provides opportunities to lead, collaborate, create, build confidence, and share their gifts with our community. These are skills and experiences that extend far beyond the stage.

As St. Francis celebrates an 87-year legacy of educating young women, the arts remain a vital part of our mission. Thank you for helping ensure this tradition of artistic excellence continues to inspire and empower the next generation of Troubies for years to come.

Become a Patron of the Arts Sponsor and help bring her talent to life.
