

**Student-Led Clubs  
2025-26**

**The following clubs have been approved by administration for this school year. Remember, Student Led clubs must complete an application each year. This document will be continually updated, so check back often.**

| <b>Club Name</b>          | <b>Mission/Goal/Purpose</b>                                                                                                                                                                                                                                                                                                  | <b>Cost</b> |
|---------------------------|------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|-------------|
| BHS Queso Enthusiast Club | Our goal is to build a community among our peers that share a common appreciation of queso. We will meet, eat queso, discuss, review, and make queso-loving friends.                                                                                                                                                         | \$5         |
| UNICEF                    | We teach students many different things about children's advocacy and what UNICEF does. We raise funds and donate them to UNICEF.                                                                                                                                                                                            | \$0         |
| Military Club             | To raise awareness about military careers, paths, benefits and veterans' stories. Some goals of the club would be to open up opportunities for students to learn and experience the military.                                                                                                                                | \$0         |
| Spanish Club              | The goal of the Spanish Club is to encourage people to explore Spanish learning more deeply and develop knowledge of the culture in various Spanish-speaking countries.                                                                                                                                                      | \$0         |
| Faith in Action           | Faith in Action is a Christian club based on serving the Nashville community. In this club we will have a monthly fundraising or volunteering opportunities to raise funds or goods for the Christian outreach charity that was selected for the month. We plan to be servants of Christ and show his love to the community. | \$0         |

| <b>Club Name</b>      | <b>Mission/Goal/Purpose</b>                                                                                                                                                                                                                                                                                                                               | <b>Cost</b>                  |
|-----------------------|-----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|------------------------------|
| Mountain Biking Club  | We aim to get more kids on bikes and build strong minds, bodies, and community through cycling. We want every kid to have a good time and find a love for biking                                                                                                                                                                                          | \$155 TN Cycling license fee |
| Best Buddies          | Best Buddies is a club that promotes inclusion and friendship. This club creates a bridge between Gen Ed students and IDD students.                                                                                                                                                                                                                       | \$25                         |
| Medicine/HOSA Club    | The mission of the Medicine/HOSA club is to allow students to explore the medical field through professional guest speakers, hospital volunteer hours, hands-on activities, clinical service projects, and HOSA. The club exposes its members to a plethora of medical careers and physician specialties as well as medical terminology, tools, and more. | \$25-30                      |
| Men of God (MOG)      | To help athletes and young men discover their purpose, worth, and value while strengthening their relationship with God and walking in their God-given calling as men.                                                                                                                                                                                    | \$0                          |
| Chess Club            | Our mission and goal is to improve in chess and in life.                                                                                                                                                                                                                                                                                                  | \$0                          |
| JustServe             | The purpose of the JustServe club is to have monthly service projects for our members. This allows people to get service hours. We include outside projects as well as projects that benefit the school such as cleaning up trash.                                                                                                                        | \$0                          |
| Computer Science Club | Learn coding languages not taught in school.                                                                                                                                                                                                                                                                                                              | \$0                          |
| Mission: Smile        | Visit nursing homes to provide activities for residents. Club Mission: spread laughter generation by generation.                                                                                                                                                                                                                                          | \$15                         |

| <b>Club Name</b>      | <b>Mission/Goal/Purpose</b>                                                                                                                                                                                                                                                                                             | <b>Cost</b>                                                 |
|-----------------------|-------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|-------------------------------------------------------------|
| Key Club              | Key Club is an internal service club. Our goal is to give opportunities for high schoolers to get involved and service the community                                                                                                                                                                                    | \$25                                                        |
| Art Club              | The club mission is to allow individuals to express themselves through art among people who share the same drive. Our goal is to help students find and express their individual style.                                                                                                                                 | \$15                                                        |
| Empower Nashville     | To volunteer with organizations who cater to the needs of refugee and immigrant children in the Nashville area. This entails helping teachers manage their classrooms, helping students stay focused on English lessons, and fulfilling any other needs that may arise during our time working with said organizations. | \$7                                                         |
| Climbing Club         | Our purpose for this club is to build a community of climbers as it is a very social sport.                                                                                                                                                                                                                             | \$15.56 to visit one time and \$90 for a monthly membership |
| Morgan's Message Club | We aim to expand the dialogue on mental health by normalizing conversations, empowering those who suffer in silence, and supporting those who feel alone.                                                                                                                                                               | \$0                                                         |
| Music Circle          | Spread the magic of music to nursing homes and perform once a month at various retirement centers.                                                                                                                                                                                                                      | \$0                                                         |
| FCA                   | FCA provides student-led devotions and group bible                                                                                                                                                                                                                                                                      | \$0                                                         |

| <b>Club Name</b>     | <b>Mission/Goal/Purpose</b>                                                                                                                                                                                                                                                                                                                                                                                                                                                                          | <b>Cost</b> |
|----------------------|------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|-------------|
|                      | studies.                                                                                                                                                                                                                                                                                                                                                                                                                                                                                             |             |
| Women in STEM        | Women in STEM club is dedicated to empowering and supporting women interested in science, technology, engineering, and math by creating opportunities for growth and connection. We invite guest speakers to share their experiences and inspire members about the STEM field. We also plan to raise money through fundraisers to support our initiatives and spread awareness through these efforts we strive to build a strong, inclusive community that encourages future leaders in STEM fields. | \$0         |
| Fiance Club          | Finance club aims to educate and empower students with essential financial knowledge, including key terminology, investing strategies, and personal financial skills. Our mission is to create a supportive community that inspires members to make informed financial decisions, develop good money habits, and strive for personal and professional growth. We help members learn finance and inspire them to become their best selves.                                                            | \$0         |
| BHS Photography Club | Our purpose is to take photos, learn new skills like editing, photography hacks, how to use a camera, and composition rules.                                                                                                                                                                                                                                                                                                                                                                         | \$10        |
| Book Club            | To be constant in reading one book a month, discussing the book and being able to connect with a community. We will be strictly reading YA books. We will all vote on the book and then meet the next month to discuss.                                                                                                                                                                                                                                                                              | \$0         |
| Disc Golf Club       | The purpose of the Disc Golf Club is to introduce or improve disc golf skills to anyone who wants to learn and                                                                                                                                                                                                                                                                                                                                                                                       | \$0         |

|                              | supporting women, raising awareness about domestic violence, and housing insecurity. We work towards this through service projects, fundraising, and outreach. This may look like running donation drives, volunteering at local women' s shelters, or raising awareness online.                                                                                                                                                                                                                                                                                                                          |                                                 |
| Young Democrats of Brentwood | This club's mission is to educate and inform its members of current events within the United States relating to the Democratic Party or social platforms that it agrees upon. We also aim to teach our club members the history of the party, past social movements and current organizations/events in a way that does not promote hate, bias, or dispute. The club's goal is to keep our members educated, informed and aware of the current political climate, promote social inclusivity and action, and to help gain interest in local movements that are in support of our club's ideas and values. | \$0                                             |
| The Feast                    | To bring students together and to jump past cultural boundaries. This club is to diversify people's pallets and bring community to the school through food.                                                                                                                                                                                                                                                                                                                                                                                                                                               | \$cost of the item the student chooses to bring |
