MEMORANDUM

TO: Smyrna School District Parents

FROM: Bus Transportation for the 2026-2027 School Year

DATE:

It's that time of year once again, and the first day of Smyrna School District's classes for the 2026-2027 school year will be on September 8, 2026.

To ensure that your student will be assigned the correct bus route, please contact the school they will be attending by August 10, 2026, with any changes regarding your physical address, contact phone numbers, and/or daycare/center location. Otherwise, your child will be assigned to their bus route based upon last year's student information. Any submissions made after August 10, 2026 will result in a delay of your student's bus assignment.

Please read the Bus Regulations with your student that is posted on the Smyrna School District Website.

For students who need to ride a different bus than their assigned bus, due to emergent circumstances -- the Parent/Guardian must contact the main office of the Students school as soon as possible. Request will be approved based upon available seating, and the time frame the request was submitted. We look forward to a safe and prosperous school year. Please contact the Transportation Office with any questions or concerns.
