

American Sign Language IV Honors Syllabus

Course Description/Goals:

This is an advanced course designed to further enhance students' proficiency in American Sign Language. This course will continue to prepare students to interact with native signers in academic and professional settings, fostering both language mastery and cultural competence. This course emphasizes nuanced communication, complex grammatical structures, and increased fluency through diverse authentic materials and real life scenarios. Students will explore advanced conversational topics, such as abstract ideas, current events, and personal viewpoints.

Course TEKS/Objectives:

[High School LOTE TEKS](#)
