PRINCIPAL'S MESSAGE

Dear Bobcat Family,

Welcome to the 2026–2027 school year at West Broward High School! We are excited to welcome back our returning students and families and extend a special welcome to those joining the Bobcat family for the first time.

This year, our theme is "Where the Standard Is Set and Legacies Are Made." At West Broward, excellence is more than an expectation—it is our commitment. Every day, our dedicated teachers and staff strive to provide a safe, supportive, and engaging learning environment where students are challenged to reach their fullest potential. We believe that every lesson, every opportunity, and every relationship helps shape the legacy our students will leave long after they graduate.

We know that strong partnerships between home and school are essential to student success, and we look forward to working alongside our families throughout the year. Together, we will continue to inspire achievement, celebrate success, and prepare every Bobcat for a bright future.

Thank you for trusting us with your children. We are excited for an amazing year and look forward to all that we will accomplish together.

ATHLETIC CLEARANCE UPLOAD INSTRUCTIONS

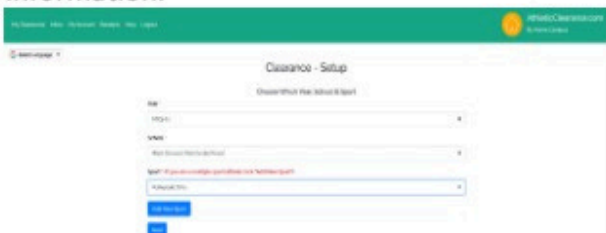

1. You will need to head to <https://athleticclearance.fhsaahome.org/> to upload all necessary documentation to participate in athletics at West Broward H.S. Once you're on the site, you will either
a) create a new account if you've never had one, or login to your account from the prior school year.

2. Once you've created an account, or logged in, you will create a **NEW** clearance for the upcoming school year. Please select all sports that your student may be interested in participating in for the upcoming season(s).

3. Once you've selected the sports, you will be prompted to fill out the different sections of the clearance portal (student, parent/ guardian, medical, program information, signatures, files, and confirmation). Please answer all these portions as accurately and honestly as possible. Double check all spelling and organization of information.

4. Once you get to the files upload page, all the documents that you need are embedded within athletic clearance. You can download them directly from the website. You will need the following:
 - a. **EL2:** all five pages must be uploaded and FULLY filled in.
 - b. **Video certificates (3):** all certificates must have the student's first and last name.
 - c. **Proof of insurance:** insurance card MUST have the student's first and last name. If the student doesn't have their own personal card, please upload the card available as well as a screenshot of proof of coverage from the insurance portal.
 - d. **Birth certificate:** passports do not count.
 - e. **Parent/ player contract:** this form must be signed by both parent(s) and player. Wet signatures are preferred.

5. After you've completed your registration, you will receive a confirmation email that you've **STARTED** the clearance process; this does not mean that your student athlete is fully cleared. Our athletic staff must go in and manually look over the documentation. Once that happens, you will receive a second email stating that your child is either cleared or denied. If they are denied, you will receive details as to why, and what documentation needs to be fixed and resubmitted.
 - a. **Your student athlete CANNOT participate in any sports until this paperwork is completed. This is an FHSAA rule, not a WBHS rule.**
 - b. **If you have any additional questions, please email our Athletic Director at allison.edens@browardschools.com**
