

Meet your Counselor

Mrs. Maria Sherrod

Hello!

It is with great enthusiasm that I introduce myself as the newest member of the Flat Rock Middle School counseling team. While I may be a new face in these halls, my heart has long been rooted in the Fayette County community.

With over 20 years of experience serving our county's elementary schools as both a counselor and an administrator, I am thrilled to transition into this new chapter. It is an honor to "spread my eagle wings" here at Flat Rock and support our students during these pivotal middle school years.

I am a firm believer in the power of education and lifelong learning. A fun fact about my journey: I am "twice a bulldog!" I earned my undergraduate degree from South Carolina State University and went on to complete my graduate studies at the University of Georgia.

Please feel free to reach out.
I can't wait to partner with you!

Flat Rock holds a very special place in my life, not just professionally, but personally. I am a proud Flat Rock parent myself; my youngest son is currently a 7th grader here, and my oldest is a junior at Sandy Creek High School. This dual perspective as both an educator and a parent fuels my passion for ensuring every student feels seen, supported, and empowered to succeed.
