V. NYSED Initiatives Alignment

1. How will the district's use of instructional technology support a comprehensive and sustained effort to improve student performance and academic standards, while also addressing the need to provide equitable learning opportunities “everywhere, all the time” (National Technology Plan)?

Half Hollow Hills technology ecosystem, centered on Google Workspace and Canvas, ensures that learning is no longer tethered to a physical desk. This infrastructure provides equitable, 24/7 access to high-quality resources and feedback, directly fulfilling the National Technology Plan’s mandate for learning 'everywhere, all the time.’ By removing barriers, we empower students to develop the core competencies outlined in the New York State Portrait of a Graduate. Specifically, the use of collaborative digital tools fosters global citizenship and effective communication. Furthermore, integrating AI assistants like Brisk allows educators to automate administrative tasks and differentiate instruction with unprecedented speed. This sustained, technology-driven approach ensures that all students, regardless of their starting point, can meet rigorous academic standards and thrive in an increasingly complex world.

2. **At the start of the 2026-27 school year, will the district offer full-time virtual instruction to any students? (*Select all that apply)***

- ☐ Yes. Our district operates a full-time virtual instruction program.
- ☐ Yes. One or more of our students will attend a program operated by a BOCES or another public school district.
- ☑ None of our students will participate in a full-time virtual instruction program.
- ☐ Other

3. If the district files or has filed a Smart Schools Investment Plan (SSIP) to apply for Smart Schools Bond Act funds, all responses in this survey align with the district’s response to any related question(s) in the SSIP.

Yes

For help with completing the plan, please visit ITP Resources on our website, contact your district's RIC, or email edtech@nysed.gov.
