

Metro Atlanta STEM Institute

**8 SATURDAYS DURING THE
2026-2027 ACADEMIC YEAR**

This program is designed to engage 11th graders from the metro Atlanta area in a eight-month experience at Georgia Tech. We are seeking nominations from metro Atlanta school districts. *Below are some requirements for the program:

- Current junior in high school who is receiving free/reduced lunch.
- On track to graduate in the top 10% of the class.
- Will complete pre-calculus or calculus during high school.
- PSAT/SAT scores predicted to be 1200+.
- Established leader/good citizen inside and outside of school.

**Students do not need to meet all the listed criteria. However, we ask that you nominate students who receive free or reduced lunch and meet most of the criteria.*
