SUPERINTENDENT'S WELCOME

Dear Pittsburgh Public Schools Parents, Students, and Families,

Welcome to the 2026-2027 school year! Whether you are joining Pittsburgh Public Schools for the first time or returning for another exciting year, I am honored to welcome you to a community committed to helping every student learn, grow, and thrive.

At Pittsburgh Public Schools, we believe every student deserves access to a high-quality education in a safe, supportive, and inclusive learning environment. Our dedicated educators and staff are committed to preparing students for success in college, career, and life by fostering curiosity, creativity, critical thinking, and a lifelong love of learning.

This school handbook is an important resource designed to help you navigate the school year. Inside, you will find valuable information about District policies, school expectations, student supports, attendance, academic programs, extracurricular opportunities, health and safety procedures, and ways to stay connected with your school community. I encourage every family to review this handbook together and refer to it throughout the year.

A successful school year is built on strong partnerships between schools, families, and the community. We know that students achieve more when the adults in their lives work together to support their learning and well-being. We invite you to stay engaged by attending school events, participating in Parent School Community Council (PSCC) meetings, communicating regularly with your child's teachers, and taking advantage of the many opportunities to share your voice and partner with us.

As we continue implementing our PPS Future-Ready Plan, we remain focused on creating learning environments where every student feels welcomed, valued, supported, and inspired to reach their full potential. Together, we are building stronger schools and brighter futures for every child.

Thank you for entrusting Pittsburgh Public Schools with your child's education. We look forward to a school year filled with learning, growth, achievement, and meaningful connections.

On behalf of the Board of Public Education and the entire Pittsburgh Public Schools team, welcome to an outstanding school year!

Yours in Education,

Dr. Wayne N. Walters

Superintendent, Pittsburgh Public Schools

PRINCIPAL'S WELCOME

Welcome Back!

Welcome back! I hope you and your family are well rested and rejuvenated after a wonderful summer break. As we begin a new school year, I want to extend a warm welcome to both our returning families and those joining our school community for the first time. We are so excited to start another year of learning, growth, and shared success!

This school year promises to be filled with engaging lessons, enriching activities, and meaningful experiences for your child. Our dedicated staff has been hard at work preparing classrooms and planning curriculum that will challenge, inspire, and support every student.

We believe that a strong partnership between home and school is key to student success. We encourage open communication and invite you to be involved in your child's education. Whether through volunteering, attending school events, or simply staying informed about your child's progress, your support makes a tremendous difference.

We are truly looking forward to a fantastic school year ahead. Thank you for your continued support and trust in us to educate and care for your child. Let's work together to make this year a successful and memorable one!

Sincerely,

Dr. Brandon George
Principal Greenfield Pre K-8

VISION AND MISSION

Mission

Pittsburgh Greenfield will be one of the premier schools in the Pittsburgh Public School District, student-focused, well managed, and innovative. We will hold ourselves accountable for preparing all children to achieve academic excellence and strength of character, so that they can succeed in all aspects of life.

Vision

The vision of Pittsburgh Greenfield K-8 is to see each student reach his/her highest potential. Students will feel safe and cared for in every classroom as they participate in a rigorous and relevant curriculum. Staff members will also meet high expectations and be highly qualified professionals in both content and pedagogy. Parents and community members will be involved and act as contributing members of the school system. With the support of all stakeholders, students will be productive members of society.

COMMUNICATION PROCEDURES

Contacting the School

Please see the previously listed phone number, fax number and office email address to contact our school.

Talking Points

Classroom and Schoolwide messaging are done on Talking Points. Please make sure you have updated cell phone numbers of those who should receive Talking Points messages. Talking Points is most effective using the Talking Points app. Download on your phone for ultimate performance. You will receive messages from classroom teachers as well as schoolwide messages. You can also respond and send messages to classroom teachers. Please do not respond to schoolwide messages.

BlackBoard Connect

Make sure your phone number is updated. School and district messages are sent through a Robo Call.

Email

See staff list for teacher and staff email addresses.

Cancellation/Delay Announcement

Cancellation/Delay Announcements will be communicated via Talking Points and/or BlackBoard Connect.

Updating Contact Information

Please contact the school immediately if you have a change in phone number, cell number or address.

Parental Involvement

Parents are encouraged to get involved in the school PTO and in school activities. Call the school or contact the Greenfield PTO at ptogreenfieldk8@gmail.com.

ATTENDANCE

Class attendance and participation are necessary for the accomplishment of curriculum objectives. However, a student should not receive a failing grade for any of the situations listed in the Code of Student Conduct, so long as the student makes up all of the missed assignments.

Attendance-Related Procedures

Parents must submit excuses for absences within three days. If a note is not submitted, the absence becomes permanently unlawful. The school district will upload a “Notice of Unlawful Absence” letter after the first and second unexcused absence in HAC. An unexcused absence would be considered an absence in which a student did not submit a note from home within three days.

- If a student has a third unexcused absence, parents receive via mail the “Notice of Unlawful Absence” letter and a warning that they may be liable in court without further notice from the school.
- A fourth unlawful/unexcused absence (a note has not been submitted within three days) will result in a citation issued by the District Magistrate in which students will have to appear in court and face a possible fine of \$300. Other consequences could occur which will be determined by the court.
- A maximum of ten (10) days of cumulative lawful absences verified by parental notification shall be permitted during the school year. All absences beyond ten (10) cumulative days shall require an excuse from a licensed practitioner of the healing arts.
- Students who are planning educational trips/travel must submit a note with dates of travel and reason for travel to their homeroom teacher two weeks prior to travel. All travel requests require approval by the school principal. Absences due to travel will be included in the ten (10) days of lawful cumulative absences for the school year.

Helpful Hints for Parents Regarding Attendance

- An unexcused absence is an absence in which a student has not submitted a note from home, doctor, hospital, funeral home, religious organization, or court within three days. The absence remains unexcused forever.
- If the student has more than 10 days absent within the school year, only doctor’s notes will be allowed for any additional absences.

Tardiness

Prompt arrival at school is expected of all students. Students should be in homeroom by 8:20 a.m. Students arriving after 8:35 a.m. should report to the main office with a note and will be given an admission slip. Without an admission slip, they will be marked absent. Excessive tardiness will not be tolerated and may result in the student's referral to the counselor. Students with excessive tardies will receive a letter from the school and should the student continue, they will be referred to the magistrate for attendance violations.

ACADEMIC INTEGRITY

The Board adopts a system-wide policy to promote academic integrity and will not tolerate any form of academic dishonesty, including but not limited to, cheating during examinations or on lab, homework and other assignments; plagiarism; pre-exam access to test forms; and unauthorized use of aids during examinations and assignments.

A student shall not engage in, participate in, nor knowingly provide another student with the opportunity to engage in academic dishonesty related to examinations, as well as laboratory, homework and other projects and assignments, whether done during or outside of school hours.

Academic dishonesty shall include, but not be limited to, all forms of cheating, plagiarism, pre-exam access to test forms, representing someone else's work as your own, and the unauthorized use of aids during examinations, projects and assignments.

ATHLETICS/EXTRACURRICULAR ACTIVITIES

Athletics

All middle school students must be in good academic, behavioral and attendance standing to play on a Pittsburgh Greenfield Sports team. STUDENTS MUST HAVE UP-TO-DATE EMERGENCY CARE FORMS ON FILE and completed sports physical. A parent or guardian must accompany all students who wish to attend the sporting event as a spectator. Students, parents, or other spectators failing to demonstrate appropriate behavior will be asked to leave the school grounds and may be subject to permanent removal from school events.

Eligibility Guidelines

1. Beginning with the Second Semester of the 2025-2026 school year, students with a 0--1.99 grade point average, at the end of the previous report period, shall be considered ineligible under this policy; and shall be required to wait for the issuance of the next interim report card or end of quarter report card (whichever comes first) to determine if said student has satisfied the grade point average to participate in the activity.
2. When determining eligibility for programs beginning at or before the start of the school year, eligibility will be based on whether the student has passed four ("4") full credit subjects, and achieved a cumulative 2.0 GPA, during the previous school year.
3. Single report period grades are to be used as last previous grades only in determining academic eligibility for activities that are in progress once the school year begins.
4. If a student is found to be ineligible under this policy or under other applicable requirements due to having grades below those set forth above, or otherwise failing to meet other applicable eligibility requirements [7], the student shall not be

permitted to participate in any interscholastic athletics or extra and co-curricular activities until they meet the eligibility requirements.

5. The academic eligibility requirements set forth in this policy do not apply to cocurricular activities that provide academic credit.
6. CIPPE Form: Sections 1-6:
 - a. Sections 1-5 need to be completed by the parent.
 - b. Section 6 MUST be completed by a healthcare provider or the school nurse practitioner. If your child has had a physical on June 1, 2025, or later, your private healthcare provider can complete Section 6 without a new appointment. Physicals can also be completed by your private healthcare provider, Med Express, etc. It is best practice for students to be cleared to play sports by their own healthcare provider.

DRESS CODE

Pittsburgh Public Schools has an exclusionary dress code. No student shall wear any apparel or jewelry that by words, signs, pictures or any combination thereof appearing on said clothing or jewelry advocates or promotes sexual activity or violence, or the use of alcohol or drugs, or demeans or degrades another because of race, sex, religious persuasion, national origin, handicap or disability.

Students are expected to wear appropriate clothing at all times while at school. Revealing attire that permits the exposure of undergarments or private body parts is prohibited. This prohibition shall be in effect during regular school hours and at any school-sponsored event whether on or off school premises.

A prescribed dress code or uniform policy is defined as a policy, either in writing or declared verbally by a given school principal, that requires the student to wear a certain mode of dress during school time, or at any school-sponsored event whether on or off school premises.

Individual schools within the District may adopt a prescribed dress code or uniform policy in accordance with the Board's policy.

Greenfield's Prescribed Dress Code

At Pittsburgh Greenfield School we take pride in the appearance of our students and have adopted a prescribed dress code.

- Hats, Bandanas, do-rags, hoods and coats are not to be worn in class; these articles must be placed in lockers upon arrival at school.
- All shirts/tops must cover stomach and back.
- Mini-skirts, short shorts, hot pants, and shredded jeans or jeans with holes are not permitted.
- All pants must be worn at the waist – low hanging pants/ exposed underwear is offensive in school. Belts must be worn to keep pants at the waist.
- Tops and dresses must cover midriff, cleavage, and back. Halter-tops, belly shirts, spaghetti straps, tops with cut-outs, undershirts and strapless tops are not allowed, without wearing another top that covers exposed areas. Leggings are only allowed when worn under dresses or a tunic that comes to mid-thigh. Any skirt, shirt or other top that exposes undergarments or bare midsection is prohibited.
- All tank tops must be at least one inch in width on the shoulder.

- Proper footwear must be worn in school at all times. The wearing of flip flops, shower or beach shoes, slippers or other footwear that has no defined heel or heel strap, or that is not securely fastened to the foot is strictly prohibited.

Students in violation of the dress code policy will receive disciplinary action and may be sent home to change or the parent may be contacted to provide a change of clothes. Students will not be permitted to attend class while in violation of the dress code.

Consequences for Not Following the Dress Code

1. **First Offense:** Warning/Reprimand/Parent Contact (Student will wear a shirt provided).
2. **Second Offense:** Lunch Detention (no recess)/ Parent Contact.
3. **Third Offense:** Parent Conference with student and school administration.
4. **Fourth and Beyond:** Parent will be notified about the students appropriate dress violation. Students will wait in designated area for parent to bring an appropriate outfit and student may be asked to return to school with parent for a meeting with principal.

ELECTRONIC DEVICES

Students and their parents must read the cell phone policy and return a signed copy to the office each school year. Signing the policy acknowledges acceptance. Students will not be permitted to have their phones at school until the signed policy is returned.

1. Cell phone use is prohibited in classrooms, restrooms, and school offices, unless otherwise stated by a teacher.
2. During the instructional day, cell phones must remain out of sight, out of mind and in silent mode. Cell phones must be placed in lockers, backpacks, or another location away from students and their desks during all class times, tests and assessments.
3. Cell phones may be used on school grounds before school, during lunch or recess, and after school only.
4. Unless explicitly allowed by a staff member, headphones, ear pods and other listening devices may only be used before and after school hours.
5. If students need to place an emergency phone call during the day, they should request to go to the main office to use an office phone.
6. Students may be subject to disciplinary action if their use of their cell phone disrupts the school's educational environment. Examples of this include, but are not limited to: disruption of class, cheating, bullying, harassment, unlawful recording or photographing, violating other school rules.
7. The school and its staff are not responsible for any damage to or theft of a student's cell phone. Students must properly secure and take care of their own phones.

If students violate the school's cell phone policy, the following may occur:

1. **First offense:** The student's cell phone will be confiscated by a staff member and held in the main office until the end of the school day. Before being allowed to pick up their phone at the end of the day, students must discuss and review the cell phone policy with a staff member.
2. **Second offense:** The student's cell phone will be confiscated and held in the main office until the end of the school day. The student's parents will be contacted and informed of the refusal to follow the school's cell phone policy. Students may pick up their phones from the school administrator.
3. **Third offense:** The student's cell phone will be confiscated and held in the main office until the student's parents are able to come to pick it up. The student will receive consequences and will be prohibited from bringing their cell phone back on school grounds for two weeks.

The administration reserves the right to adjust these consequences on a case-by-case basis if needed. For example, extreme behaviors that break the law or engaging in bullying or harassment of other students may result in suspension.

Greenfield Cell Phone Collection Policy

Purpose

To promote a focused, respectful, and productive learning environment, student cell phones will be collected during the instructional day.

Policy

Students must place their cell phone on silent or powered off before the start of the first class.

Phones will be collected by the homeroom teacher or designated staff member each morning and stored in a secure, labeled phone organizer or locked storage container.

Each student is responsible for placing and retrieving their own device from the assigned storage location.

School staff will take reasonable measures to ensure phones are stored securely; however, students are encouraged not to bring unnecessary valuables to school.

Phones will remain inaccessible to students during instructional time unless a teacher authorizes use for an educational activity, or an administrator approves an exception.

Phones will be returned to students at the end of the school day or at a designated dismissal time.

Students who fail to turn in a phone or who use an unapproved device during the school day may be subject to disciplinary action in accordance with the school's student code of conduct.

Parents or guardians who need to contact their child during the school day should do so through the school office. Students needing to contact a parent or guardian may request permission to use the school office phone.

Students with documented medical, accessibility, or other approved accommodations may retain access to their devices as outlined in their accommodation plan.

Procedures

Teachers will verify that all students have either turned in their phones or indicated they do not have one.

Any unclaimed phones will be secured and returned only after ownership has been verified.

Repeated violations may result in parent notification, administrative intervention, or additional consequences as outlined in the student handbook.

Effective Date

This policy is effective at the beginning of the 2026-2027 school year and applies to all students in grades 3-8 unless otherwise approved by school administration.

GRADING

The Board recognizes that a system of grading student achievement can help the student, teachers, and parents to better assess the student's progress toward personal educational goals.

The Board believes that the cooperation of school and home is vital in the growth and education of the student. It recognizes its responsibility to keep parents informed of student welfare and progress in school. It also recognizes the effects of State Board regulations and federal regulations governing school records.

Grading Scale

Percentage Earned	Grade	GPA
90-100%	A	4.0
80-89%	B	3.0
70-79%	C	2.0
60-69%	D	1.0
50-59%	E	0.0

The Board directs that the instructional program of the School District includes a system of grading for all pupils which is consistent with the educational goals of the School District.

The Board directs the establishment of a system of reporting student progress which shall include written reports and parent conferences with teachers and shall require all appropriate staff members to comply with such a system as part of their teaching responsibility.

HOMEWORK PROCEDURES

Homework should build on classroom work and should encourage and measure the development of self-discipline and associated good work habits in students. The Pittsburgh Public Schools reaffirms the importance of assignment and completion of homework as an integral part of the school experience. Meaningful homework assignments assigned systematically provide additional time for learning which contributes toward student academic growth. Homework should build on classroom work and should encourage and measure the development of self-discipline and associated good work habits in students. Completing homework also develops student responsibility and promotes cooperation and family relationships with the school.

Students complete homework in order to:

- Reinforce learning through practice, application, integration and/or extension of knowledge and skills.
- Develop study skills, work habits, and a sense of personal responsibility so that the student may become an independent learner.
- Foster students' personal development in areas such as time management, responsibility, perseverance, and self-confidence.
- Stimulate imagination, originality, and creativity.
- Enhance home/school communications and provide increased curriculum understanding.
- Encourage a follow up of worthwhile school activities into permanent leisure interests.
- Involve families in the learning process of their children.

As a parent you should:

- Help your child set a regular homework time each day and free your child of other responsibilities at that time.
- Provide a place to work and study that is quiet, properly lighted, and equipped with the necessary materials.
- Become interested in your child's homework by encouraging him or her to do his or her best work and complete the assignments.
- Encourage your child to complete assignments independently.

Contact the teacher if your child has trouble with a homework assignment and cannot complete it.

HEALTH SERVICES

Illness, Injury and Medications

In case of illness or injury, a student will be cared for temporarily by the school nurse or a member of the school staff. School personnel will render first aid treatment only. If emergency medical treatment is necessary, the parents will be contacted.

Remember, an emergency telephone number where parents can be reached and name and telephone number of the student's family doctor must be on file at the school. Please return the Emergency Care Form provided to you to the main office. Also, if any information changes throughout the school year please notify the front office at (412) 529-3535.

If a student must bring medication to school, the following requirements must be met:

- Must carry a prescription label with the child's name, drug identity, dosage instructions, doctor's name, and prescription date.
- The prescription must be current.
- A note dated and signed by the parent and doctor giving the child's name, dosage amounts, specific dosage times, and other instructions if necessary.

Medication must be left in the office and will be given by the school nurse or authorized school personnel in the absence of the nurse. The only medication students are permitted to carry in school is an asthma inhaler. However, the office must have a prescription for the inhaler on file.

Medications such as antacids, pain relievers, cough drops, etc. are on hand and can be supplied by the school. However, only the school nurse who is assigned here on a daily basis can only dispense these medications. In addition, parents must indicate on the Emergency Care Form if these medications can be dispensed to their child. Therefore, if your child is susceptible to upset stomach, headache, or cramps, we suggest that you send these medications to school following the above regulations.

INFORMATION TECHNOLOGY/ACCEPTABLE USE

All students will be assigned a device to use during the 2026-2027 school year. These devices are to be used for school purposes only. An Acceptable Use Policy will be sent home and must be signed for students to receive their device. *Students are expected to carry their device and charger to and from school every day.

Guidelines

Students are responsible for the care of their laptop:

Physical Care/Proper Handling: Students should handle their laptops with care, avoiding dropping or exposing them to harsh conditions. **Intentional damage = a \$200 fine.**

Storage: Laptops should be stored in a safe place away from food/drink.

Cleanliness: Regularly clean laptops, particularly the screen and keyboard, to prevent buildup of dirt/grime. No stickers should be put on laptops.

Security: All students are given a password at the start of the school year. Do not share your password with other students.

Best practice is to shut down your laptop when finished at home.

Responsible Use: Use the laptop for educational purposes and adhere to PPS policies regarding appropriate use. Avoid using the laptop for inappropriate content or activities that would compromise the device's security or functionality. This also includes web browser searches and messaging in Teams chat.

Reporting Issues: Report technical issues, damage or loss to school Tech Liaison:

School Transition to Remote Learning and/or Cancellation

Transition to Remote or Cancellation of school takes place only during circumstances such as extreme weather, equipment failure, or public crisis. The school board and administrators are aware of the hardship which can be caused by an abrupt cancellation. Therefore, school will not be canceled unless a significant safety risk has been created by unusual circumstances. Every practical means is used to notify parents of cancellation, including radio, TV, newspapers, Talking Points, PPS webpage, and Alert Now robocall. Students will transport their device to and from school every day. They should always be charged and ready for school and/or emergency remote instruction.

STUDENT SUPPORT SERVICES

Counselor and Social Worker

A counselor and a social worker is available to assist students with questions, attendance issues, testing, career choices, social problems, and crisis situations. Students are encouraged to make use of these professionals by seeing their classroom teachers or by stopping in the main office to schedule an appointment.

MTSS

A Multi-Tiered System of Supports is a systematic, continuous-improvement framework in which data-based problem solving and decision-making is practiced across all levels of the educational system for supporting students. MTSS is used to identify students who would benefit from more intensive support and to ensure that the school is working to improve the educational outcome for all students.

Tiers of Support

- **Tier 1:** At the largest tier, Tier 1 provides support for all students through core instruction, school-wide programs, and universal design for learning strategies.
- **Tier 2:** Some students require additional support in order to make or sustain achievement in a variety of areas. Interventions and support are delivered in small group settings to provide targeted instruction in needed areas. Progress monitoring occurs regularly to determine the appropriateness of the intervention and to ensure that students are making progress.
- **Tier 3:** A small group of students who require intensive support through research-based interventions and individualized supports. These students require instructional and/or supplemental support in targeted areas in order to make and maintain progress.

Student Assistance Program (SAP)

The Student Assistance Program or SAP is designed to help schools identify students who experience behavior and/or academic difficulties that pose a barrier to their learning and success in school. SAP offers assistance to those students through individual and group in-school support, and helps families access community resources, if needed, through a screening process.

Referral Process

Each district school maintains an MTSS and SAP team that meets regularly to discuss referrals and determine appropriate recommendations for students. Schools have a

referral process that they follow. However, anyone is able to make a student SAP referrals. To refer a student for SAP services, please reach out the appropriate school counselor.

STUDENT EXPECTATIONS/PROCEDURES

Code of Student Conduct

Please review the [District's Code of Conduct](#) on the PPS website.

Teachers have the authority and responsibility to maintain discipline in the classroom. School discipline policies will be established and consistently enforced. When a student is having a problem, the teacher may conference with the student, conference with the parent, use classroom disciplinary procedures, or refer the situation directly to an administrator.

The team leaders and the counselor assist the principal with discipline. We will work together to ensure consistent consequences for behaviors. School and home must work together. Threats of any kind to the school, staff, or students will not be tolerated.

Parent Concerns: School administration and staff have daily work schedules. If you want to meet with the Principal, Counselor or any other staff you need to schedule an appointment in advance. Showing up without prior notice does not guarantee a meeting with school staff. We will make every attempt to accommodate you, however most meetings that involve teachers will be held either before school, after school or on a teacher's prep. Teachers WILL not be pulled out of class while they are teaching.

VISITORS

Visitors can include parents, guardians, community members and others who are not members of the school staff.

Scheduling of Appointments

Persons wishing to visit a school shall make arrangements in advance with the school office in that building. The principal has the prerogative to approve, disapprove or reschedule the visit for a more appropriate time.

There may be times when parents/guardians want to meet with the principal and/or teachers without the opportunity to schedule an appointment. Principals will attempt to accommodate these requests, but the parents/guardians need to understand that the timing may prevent fulfilling that request.

Reporting to the Office

School visitors shall be required to register at the school's main office and state the purpose of their visit. All visitors are required to sign-in using the Raptor Technology to print out a visitor's badge. Upon completion of the visit, visitors are expected to sign-out using the Raptor Technology in the main office.

- Types of Visitations/Observations
- Meeting to discuss school/student issues.
- Parent/Guardian classroom visit.
- Tutoring and volunteering.

Guidelines

1. Meetings/appointments should be scheduled at least twenty-four (24) hours in advance. Exceptions may be made at the discretion of the school principal or designee in the case of an emergency.
2. Principals should be advised of any scheduled parent/guardian meeting/appointment and the purpose of the visit.
3. Visitations related to tutoring and volunteering are to be arranged beforehand with the teachers and require Act 34 (state police) and 151 (child abuse) clearances.
4. Visitations related to classroom observations do not require clearances. These visitors should be accompanied to and from the classroom by a school staff member.
5. Observations of teachers must have an educational purpose and cannot be excessive or obstructive.

6. No more than two (2) parents/guardians at one time should be permitted to visit a classroom.
7. Parents/guardians who are observing in the classroom shall not interrupt the lesson or “pull” their child out to talk with them privately.
8. Parents/guardians are to refrain from correcting or reprimanding another parent’s child while visiting classrooms or attending school events.

Should an emergency require that a student be called to the school office to meet a visitor other than the parent or guardian, the principal or designee needs to determine if the visit is appropriate and approved by the parent/guardian and shall be present during the meeting. An exception to this would be staff from the Office of Children, Youth and Families (CYF) who after sharing identification and the nature of their visit, are permitted to meet with the student without school personnel present.

Visitors’ Expectation of School Staff During a School Visit

It is expected that all visitors are made to feel welcome in the schools. The office staff is to greet each visitor and provide them with a sign-in sheet and a visitor’s badge. They should be escorted or directed to their destination. They should also be acknowledged while walking in the halls by school staff and assisted when necessary. If school staff encounter an unfamiliar person in the school without a visitor’s badge, they need to direct or escort them to the main office to secure a visitor’s badge and then help in guiding them to their destination.

School Staff’s Expectation of Visitors During a School Visit

It is expected that all visitors will acknowledge the school’s responsibility for the health, safety and welfare of the students. If this is jeopardized, the visitor will be asked to leave the premises and may be restricted from visiting the school or attending school-sponsored events. Before any restrictions are put in writing and shared with the visitor, the circumstances leading up to the restriction needs to be discussed and approved by the appropriate Assistant Superintendent.

Audio, Video Recording or Photographs

No visitor shall be permitted to photograph, record audio, or videotape any person or any part of the building or to tape record any conversation or non-public meeting (i.e. parent teacher conferences, IEP meetings, etc.) or event without the express consent of the school principal and each individual meeting/conversation participant. Audio or video recording of individual meetings may be permitted if such recording is required to permit a person with a disability to meaningfully participate in the meeting. Requests for accommodations should be directed to the school principal. This prohibition shall not

apply to public meetings or work sessions of the Board or in any instance that would violate the Sunshine Act. 1004-AR-1 of 1 - Pg. 3

With permission of the school principal or designee, visitors may be allowed to record or videotape school activities, i.e. assemblies and Commencement, for personal use only.
