Stipends paid on this schedule shall not be split without the consent of the employee directly involved.

Each coach will receive a per diem stipend for any team advancing to the State Playoff system (beyond league play). The per diem will be calculated by the District Athletic Director with the following formula:
Coaching stipend divided by total days in the regular season = per diem rate.

High school coaches who provide weight room supervision will be paid hourly at the PEA Activity Rate for such supervision duties, not to exceed 240 total hours each year for each high school (RHS, PHS and ERHS). Supervision coordination and time sheet authorization will be coordinated by the Athletic Coordinator at each site.

The building athletic coordinator will work with the administration and coaching staff to determine the utilization of the following allocated floating coach positions:

* ERHS, PHS and RHS: 3 floating coaches each

Per Section 5.3.1, the stipends for Head Coach positions shall receive an additional \$100 per season in recognition of expected evaluation responsibilities. Football Head coaches will receive an additional \$250 due to the size of the program, for a total of \$350.
