Dear Parents/Guardians,

I am pleased to share that our Back to School Night will be held **in-person** on **Thursday, September 24, 2026**. The program will begin in the Auditorium at 5:45 p.m. with a “Welcome” from the administration and our community organizations. At 6:10 p.m., you will follow your child’s schedule and will attend 10-minute presentations given by each teacher. The presentations will provide an overview of your child’s courses as well as our teachers’ grading policies and class expectations.

There is a form below that you should complete in advance based on your child’s “A-day” schedule. Please bring the form with you on September 24th. If your child is scheduled for a double period of science or math, please attend those classes during the regularly scheduled period. Classes that run opposite the labs, such as physical education, health or other electives, should be visited during the lab period.

If your child is scheduled for a period of academic study, you are welcome to visit our school counselors, support staff, or Dean of Students.

Please do not hesitate to contact me if you have any questions.

Sincerely,

John J. Falino,
Ed.D. Principal
