Participation of Homeschooled Students in University Interscholastic League (UIL) Activities  
Pursuant to SB 401

**WHEREAS**, the Texas Legislature passed Senate Bill 401 during the 88th Legislative Session, amending the Texas Education Code to permit school districts, at their discretion, to allow students who are educated at home to participate in University Interscholastic League (UIL) activities sponsored by the district; and

**WHEREAS**, the Board of Trustees of Joshua Independent School District has thoroughly reviewed the provisions of SB 401, considered the administrative requirements, accountability expectations, and overall impact of such participation on district operations and student programming; and

**WHEREAS**, UIL activities are an extension of the instructional program designed to promote student engagement, leadership, and teamwork within the public school framework, and such participation includes not only performance expectations but also compliance with eligibility requirements, discipline policies, and academic standards established under district and UIL guidelines; and

**WHEREAS**, the Board acknowledges its responsibility to ensure equitable access, maintain academic integrity, and protect limited district resources in support of enrolled students whose full-time participation contributes to the overall success and accountability of the school system; and

**WHEREAS**, the Board believes that requiring full-time enrollment in Joshua ISD is essential to uphold the integrity of UIL participation and ensure alignment with the educational mission of the district;

**NOW, THEREFORE, BE IT RESOLVED** that the Board of Trustees of the Joshua Independent School District hereby elects not to permit participation in UIL activities by students who are homeschooled, as provided under Texas Education Code § 33.0832 (SB 401); and
