Lindbergh Elementary School

August 11, 2026

Dear Lindbergh Families,

I am so grateful for the opportunity to introduce myself as the new principal of Lindbergh Elementary and, most of all, to serve your children! Whether our paths have crossed before or we are meeting for the first time, I look forward to getting to know you and partnering with you this year.

Lindbergh has always held a special place in my heart. I had the privilege of teaching here and being part of a community that helped shape who I am today. Returning as principal is an honor, and I am grateful for the opportunity to serve this community.

What makes Lindbergh such a wonderful place to learn and grow is its people. The care of our staff, partnership of our families, and joy of our students make this school feel like home. As an educator of 19 years and a parent, I understand the trust families place in a school each day. I am committed to working alongside staff and families so every student feels known, supported, challenged, and cared for. Together, we will create opportunities for every child to thrive.

I am also so fortunate to work alongside Assistant Principal Mrs. Bree Knight, who leads with care and an understanding of what makes Lindbergh such a special place. Together, we will work with staff and families to support our students as Lindbergh's leadership team.

I am committed to honoring what makes Lindbergh special, continuing the meaningful work already happening, and caring well for our students as they learn, grow, and build confidence.

School begins Wednesday, September 2nd. Packets with important beginning-of-year information will be sent home soon, including arrival and dismissal procedures, transportation, food service, Open House details, and forms to complete.

If you have any questions, please feel free to contact me at Lmjohnson@ktufsd.org.

I hope you enjoy these last weeks of summer. I look forward to seeing familiar faces, meeting new ones, and beginning this school year together.

Sincerely,

Lindsey Johnson
Principal, Lindbergh Elementary
