CHIEF'S MESSAGE

This Annual Report is proudly dedicated to the school community within the Fontana Unified School District. The partnership, trust and our school safety is a shared responsibility amongst all of us. This report is also dedicated to the extraordinary members of the Fontana School Police Department. Behind every safe campus is a team of individuals who choose service over recognition, courage over comfort, and compassion in every interaction. The relationships we develop amongst our campuses help mentor and strengthen the law enforcement relationships that will help make our communities safer and stronger. Whether responding to emergencies, building meaningful relationships with students, supporting our schools behind the scenes, or preparing for challenges before they arise, each member of our department exemplifies the highest ideals of public service.

Whatever it takes, our agency strives to be the best in service to our school community, allied agencies and the partners for a better FUSD.

Rich Randolph
Chief of Police –
Fontana School Police Department

ADMINISTRATION:

OUR PROGRAMS AND COMMUNITY

The Fontana School Police Department serves as a pioneer in community policing programs, both the department and the district work in unison to offer services, donations and impacts on our campuses and beyond. FSPD is about partnerships and collaborations which has had an influence on families for over 25 years.

FONTANA TEACHERS ASSOCIATION – "Our School Police Officers are an incredible part of the Fontana Unified family. They don't just protect our schools they build relationships, support our staff, and look out for our students every single day. The Fontana Teachers Association is proud to stand with them, grateful for their service, and thankful for everything they do to keep our schools safe."

KURTIS YINGER
FTA President

"The California School Police Chiefs Association is proud to partner with the Fontana Unified School Police Department as we work together to advance the profession of school policing throughout California. Together, we continue to strengthen the future of school policing through innovation, partnership, and a shared commitment to excellence."

Chief Mark Clark,
President
California School Police Chiefs Association
