- Afternoon (P.M.) Pre-K: Students will be served lunch, consisting of whole grains, lean proteins/cheeses, fresh vegetables, fresh fruits, and low-fat milk.

Menus

You can view our menus on the Minersville Area School District Website at www.battlinminers.com under the Department "Food Services".

SchoolCafé Account

You can manage your child's cafeteria account to purchase extra meals and snacks by signing up for a SchoolCafé account. You can create an account by visiting our school website and selecting "SchoolCafé Accounts" under Department "Food Services". You can also create/access your account by downloading the SchoolCafé app. You will need your child's local student ID to create an account. Local student IDs can be found in Focus, our parent portal. If you do not want to pay online (which has an associated fee), you can send in cash or a check to add funds to your child's cafeteria account. Checks should be made payable to "MASD Cafeteria Fund".
