Creekside Intermediate

Pick up Procedures

2026-2027

Palomino Lane

Morning drop off only.
No afternoon pick up in this parking lot.

No parking zone. Parents should not park here for pick up in the afternoon.

Main Street

WAVE, Science Magnet, CHECHS, and CVHS parents should wait in the parking lot, NOT on Main Street, to pick up their children.

Creekside Intermediate

Drop off and Pick up Procedures

In the morning, all car riders are to be dropped off on the 518 side of campus. Please pull up to the cone before stopping. This facilitates a steady flow of traffic. Students needing to purchase or finish breakfast will remain in the Commons/Cafeteria to do so before entering the hall to walk to the gyms.

Dismissal Procedures

All students exit the building through the two front exits. Side doors or gym doors are not to be used for exiting the campus. Buses that arrive late will be posted in the Commons so that students may be seated until their bus arrives.

All students will be released through a staggered release that is announced by grade level/classroom.

Walkers:

Walkers exit the 518 side and begin walking towards the direction of their home.

Car Riders:

Car riders and bus riders exit the building through the Palomino side door. Car riders walk to a Staff/Admin Crossing Guard that will assist in helping all students cross to their pick-up car.

All cars will enter on the Palomino side, along with buses. Please follow the traffic cones/lanes to assist with traffic flow. We ask that cars come to a stop on the exterior lanes of the car-ride line. The center lane is for merging upon students getting into the car.

Mornings at Creekside

The campus officially opens at 8:15 am. Upon opening, students will be ushered down to the gyms to wait for the first bell at 8:40 am. If a student needs to purchase breakfast, they can do so in the Commons/Cafeteria when they arrive. The breakfast line will close from 8:35 – 8:40 to facilitate clearing of the commons and then reopen for late arriving students from 8:40 – 8:47. Once finished with breakfast, students will walk down to the gyms or straight to class, depending on the time. There will be plenty of staff available to direct students in the morning. Classes officially start at 8:47 am. Arrival after 8:47 am will be considered Tardy.

Car Rider Drop Off - 518 Side:

In the morning, all car riders are to be dropped off on the 518 side of campus. Please pull up to the cone before stopping. This facilitates a steady flow of traffic. Students needing to purchase or finish breakfast will remain in the Commons/Cafeteria to do so before entering the hall to walk to the gyms.

Bus Drop Off - Palomino Side:

Buses arrive beginning at 8:15 am and drop students at the entrance to the gyms. If a student that rides a bus needs to purchase breakfast, they will be permitted to leave the gym to walk to the Commons/Cafeteria if they arrive before 8:35am. Once they have finished breakfast they will be permitted to return to the gyms. Students arriving after 8:35am on a bus will wait in the gyms until 8:40, at which time they can purchase a breakfast if needed.

How to ensure buses can enter the bus lane

In the afternoons, traffic can back up on the Palomino side of our building in the left turn lane. In order to ensure that buses can get to the bus lane, we ask that all parents picking up their children stop in one of the car-rider lanes in the parking lot. If those lanes are full, please continue on Palomino Lane, make a U-turn near CSHS, and wait in the right hand lane until you can enter our parking lot. This will allow for buses to make left turn into the parking lot.

Note: Waiting for your student at dismissal is only allowed on the Palomino side of the building. Please do not use Main Street or the dentist office next door.
