

Upper School Clubs and Organizations 2026-2027

ACE (Architecture, Construction, and Engineering) Club

The ACE Club engages students in exploring careers in architecture, construction, and engineering through hands-on mentorship and project-based learning. Students work on design projects guided by industry professionals, gaining exposure to career pathways in STEM industries while developing technical skills and professional knowledge.

Act Now

Act Now provides opportunities for students to serve the greater Nashville community alongside their peers through meaningful volunteer experiences and community engagement projects.

Ambassadors

Student ambassadors serve as tour guides for prospective families, alumnae, and special guests and represent Harpeth Hall at admission events and activities throughout the school year. Ambassadors welcome prospective students during admission visit days and school programs and serve as new student buddies.

American Sign Language

The American Sign Language Club spreads awareness about and respect for the Deaf community and provides opportunities for students to develop communication skills in American Sign Language.

Art and Film

The Art and Film Club provides a space for students to discuss art, film, and creative pursuits. Members explore various forms of visual media and artistic expression in a collaborative environment and discuss how these formats are used to communicate in today's world.

Artificial Intelligence Club

The Artificial Intelligence Club educates students to think critically about the strengths, limitations, and impacts of AI so that they can understand how to lead confidently in a changing society. The club supports discussions on how AI can be applied to schools and workplaces while highlighting honorable conduct under these circumstances.

Asian Student Association

The Asian Student Association (ASA) builds a supportive community, promotes cultural understanding, and provides a space for connection and cultural celebration among students of Asian heritage.

Balance Council

The Student Balance Council strives to support the "whole girl" by promoting efficient study skills, reframing the stress culture, and providing tips for managing a busy schedule. Through these initiatives, the council aims to promote balance in the lives of students by advocating for healthy habits of prioritizing self-care while working hard.

Bears Broadcasting

Bears Broadcasting strives to increase enthusiasm for athletics, school spirit, and attendance at Harpeth Hall sporting events. The club promotes athletic programs through student-produced creative content that celebrates school teams and teamwork.

Beartectives: True Crime Club

The True Crime Club educates peers on how to lead safer lives by learning about crime in their communities. Members develop an awareness of personal safety and crime-prevention strategies.

Best Buddies

Best Buddies builds meaningful one-to-one friendships between students with and without intellectual and developmental disabilities. The club creates opportunities for genuine connections, shared experiences, and mutual understanding that improve the quality of life for all participants.

Black Student Association

The Black Student Association (BSA) provides Black/African/African American students a space for individuals to support one another collectively on campus and beyond. The organization serves to uplift inclusion and connection within the school community.

Business and Investment Club

The Business and Investment Club teaches students basic principles of investing by building a portfolio of investments that students aim to grow to \$100,000. Once the principal reaches that amount, grants can be made from the proceeds to Harpeth Hall organizations or priorities determined by the club members.

Chinese Club

The Chinese Club introduces students to the beauty of Chinese culture and tradition through film, food, games, and more as a way to advance their worldview and have fun. Members explore various aspects of Chinese heritage in an engaging and educational environment.

Confidence Club

The Confidence Club is a student organization that seeks to raise awareness about common inhibitors to confidence and help students discover what confidence means to them. The club provides support and resources for building self-assurance and personal empowerment.

Constitution in Action Series

The Constitution in Action series provides an opportunity for students to openly discuss political issues and examine the legality and constitutionality of current policies. This space welcomes every perspective and aims to practice civic dialogue, understand how different ideas and policies take shape, and learn about how politics affect students' lives.

Cooking Club

The Cooking Club fosters community through a shared love for cooking. The club aims to equip members with cooking experience through exposure to a wide range of recipes, cooking techniques, and cuisines.

Creative Writing Club

The Creative Writing Club inspires creativity and confidence in future generations of women writers by providing space for students to create and learn together. Members develop their writing skills through workshops, sharing sessions, and collaborative projects.

ENGIN Club

The ENGIN Club teaches Harpeth Hall students about Ukrainian life and brings awareness to current events in order to support club members in teaching English to Ukrainian students. The club partners with ENGIN, a non-profit organization that helps Ukrainian students expand their English speaking skills.

Ethics Bowl

Ethics Bowl engages students in respectful civil discourse over moral dilemmas to promote ethical awareness, critical thinking, and civic engagement. Members develop their ability to analyze complex ethical issues and articulate reasoned positions. Girls participate in competitions against other schools, including opportunities beyond Nashville.

Fashion Club

The Fashion Club provides Harpeth Hall students with opportunities to explore different fashion styles, trends, and events, make fashion compilations, upcycle clothes, and lead clothing swaps in partnership with other clubs. Members develop their understanding of fashion as both an art form and a means of self-expression.

FCA

The Fellowship of Christian Athletes (FCA) supports members in their relationship with Jesus Christ and His church. The club provides a space for faith-based fellowship and spiritual growth.

Flag Football Club

The Flag Football Club introduces girls to a predominantly male sport through fun scrimmages, free play, and drills. The club provides opportunities for students to develop athletic skills and confidence in a supportive environment.

French Club

The French Club promotes and explores French culture through various activities and events. Members deepen their appreciation for French language, traditions, and customs while building community with fellow Francophiles.

Green Club

The Green Club focuses on learning, discussing, and inspiring action in support of a more sustainable future. Members engage with environmental issues and develop practical solutions for promoting sustainability at Harpeth Hall and beyond.

Hallmarks

“Hallmarks” publishes literature and art by upper school students. The organization provides a platform for student writers and artists to share their creative work with the school community through an annual magazine designed by students.

Hispanic Student Association

The Hispanic Student Association provides a space for students at Harpeth Hall to connect, celebrate Hispanic culture, and support one another. The club brings girls together through the personal experiences, traditions, and identities shared within the Latina community.

IMAGINE

IMAGINE strives to inspire young women to explore the world of engineering through a competitive mindset and interactive learning. The club provides hands-on engineering experiences and opportunities to learn from experts in the field. Girls participate in competitions against other schools.

Jane Austen

The Jane Austen Club shares the joy of the author's works and legacy in a relaxing, fun, and supportive environment. Members explore Austen's novels, adaptations, and cultural impact through discussion and themed activities.

Jewish Student Association

The Jewish Student Association creates a space for Jewish students to explore and affirm their faith, culture, and heritage. The organization provides opportunities for connection and celebration within the Jewish community.

Junior Classical League

The Junior Classical League encourages an interest in and an appreciation of the language, literature, and culture of ancient Greece and Rome. Members explore the enduring influence of classical civilizations on modern society.

Logos

The “Logos” staff works to create an insightful student-produced newspaper to better inform the Harpeth Hall student community about school news and current events. Staff members develop journalism skills, including reporting, interviewing, writing, editing, and news judgment. The publication serves as a platform for student journalism and community dialogue.

Mah Jongg

Mah Jongg Club is a place for students to learn how to play Mah Jongg and to enjoy playing the beautiful tile-based game together.

Milestones

“Milestones” creates a yearbook that represents the school year and everyone at Harpeth Hall. The student-led staff documents and celebrates the memories, achievements, and experiences of the school community.

Mock Trial

The Mock Trial team brings girls together by diving deep into Mock Trial cases. Students develop their public speaking skills while improving their ability to think on their feet. Members learn about teamwork and collaboration while developing a deeper understanding of the law and courtroom/trial procedure. Girls participate in competitions against other schools, including opportunities beyond Nashville.

Model UN

The Model UN Club is committed to fostering global dialogue, honing public speaking skills for the future, and engaging in a meaningful immersive experience so members can be better prepared to become the next generation of world leaders and innovators. Students research international issues and participate in simulations of United Nations proceedings at conferences with other Tennessee schools.

Morgan's Message

The goal of the Morgan's Message Club is to provide a space for students to discuss mental health in student-athletes. The club is sponsored by Harpeth Hall's athletic director and led by student athletes.

Neurodivergent Alliance

The Neurodivergent Alliance (NeuroAlliance) is a student-led group created to assist neurodivergent students in navigating schoolwork and real-life experiences and building skills that can be applied to real-world challenges. The group serves as a space to openly discuss these struggles and brainstorm solutions in a supportive environment.

One Love

One Love Foundation works to prevent abuse by empowering young people with the tools and resources they need to see the signs of healthy and unhealthy relationships and bring awareness to communities. The club promotes healthy relationship education and support.

Pickleball Club

The Pickleball Club welcomes players of every skill level and helps them build confidence through fun, supportive play. Members develop their athletic abilities while enjoying this growing sport.

Playmakers/ Sings of Service

Playmakers provides students with opportunities to explore theater arts through performance, technical production, and creative collaboration. The club offers experiences in acting, stagecraft, and theatrical production that develop confidence and artistic skills. Club members will also have the opportunity to serve the community by performing at local retirement homes.

Public Purpose Club

The Public Purpose Council empowers students to create positive change in the world and focuses on organizing opportunities to get involved in service to the community. The council aspires to educate Harpeth Hall and bring awareness to important causes while shedding light on issues that are relevant to students and that they are passionate about.

Quiz Bowl

Quiz Bowl fosters curiosity and explores interesting topics beyond the classroom using friendly competition and cooperation. Members develop their knowledge across diverse subject areas while building teamwork skills. Girls participate in competitions against other schools, including opportunities beyond Nashville.

Robotics

BearBots is Harpeth Hall's robotics team for students in grades 8 through 12 who are curious about engineering, programming, and STEM-based competition. Team members develop skills in engineering design, mechanical fabrication, programming, project presentation, strategic thinking, collaboration, and strategic thinking in high-pressure competition situations. The BearBots compete in Tennessee and across the United States and Canada, and have earned bids to compete at the VEX World Championship.

Rolling Tones A Capella

Rolling Tones is an a cappella singing group that performs vocal music across various genres and styles. The club provides opportunities for students to develop their musical talents, perform for audiences, and build community through shared love of vocal performance.

SAGA

SAGA (Sexuality and Gender Alliance) provides a welcoming and supportive environment for students. The club creates a space where students can express their individuality and foster community.

Spanish Club

The Spanish Club promotes awareness, appreciation, and understanding of the people and diverse cultural backgrounds of the Hispanic/Latino world. The club encourages the study and appreciation of the Spanish language while fostering cultural understanding through activities, celebrations, and community engagement.

Student Council

Student Council serves as the governing body for students in the upper school and advocates on behalf of classmates to improve student life at Harpeth Hall. The council provides leadership opportunities and serves as a bridge between students and school administration.

Ukuladies

The Ukuladies Club brings together students interested in learning to play the ukulele and playing songs as a group. No experience necessary.

Women in Government

Women in Government strives to promote civic engagement and empower women in the Harpeth Hall community by preparing them to engage in political dialogue and understand current events. The club develops students' knowledge of government processes and political participation.
