

Mendez Fundamental, Let's Read!

Get lost in a book this year with Beanstack. We want our students to keep reading all year long! Track your reading every day in Beanstack to earn badges and grow your reading habits.

What is Beanstack?

Beanstack makes it easy to track everything you read, whether it's a book, e-book, or even a magazine! See everything you've read, share reading with friends and keep your daily reading streak alive. Get motivated to meet your reading goals with new reading challenges and virtual badges. Mendez students have the opportunity to earn prizes and participate in raffles every month!

There's an app for that!

To Download the Beanstack app, visit the Apple App Store or Google Play Store and search for "Beanstack." Or scan this QR code to go right there!

Once you're in the app, choose "Find your school or library" then search for SAUSD Mendez Fundamental Intermediate School. Sign in using Google SSO/sausdlearns email login.
