N/A = Not applicable

Plan year costs: Deductibles and copayments apply to the annual out-of-pocket maximum.

¹ Deductible waived.

² Individual deductible and individual out of pocket maximum apply to single coverage only. Family deductible and family out of pocket maximum apply when two or more individuals are covered on the plan. This plan also includes an embedded per member out-of-pocket max, which is set at the individual OOP amount. Under this plan, deductible must be met before benefits will be paid (except where 1 indicates deductible waived).

³ For Moda plans, OOP maximum includes medical deductible, medical copayments, coinsurance, ACT copayments and pharmacy expenses.

⁴ A formulary exception must be approved for non-preferred brand prescription medication.

⁵ To receive in-network coordinated care benefits, you must choose and use a PCP 360.

⁶ To receive in-network non-coordinated benefits, you must use Connexus providers.

⁷ For Kaiser plans, acupuncture care is limited to 12 visits per year and chiropractic is limited to 20 visits per year. For Moda plans, acupuncture care and spinal manipulation is limited to 12 combined visits per year. Office visits for acupuncture and chiropractors are subject to the specialist copay and coinsurances and not limited to the 12 combined visits per plan year.
