

CHROMEBOOK SAFETY & RULES

**Class
Tech
Tips**

CHROMEBOOKS

Take care when using
a Chromebook so that
it lasts all year

Walk with your device
holding it in both hands.

#1

#2

Keep food and water
away from your
device.

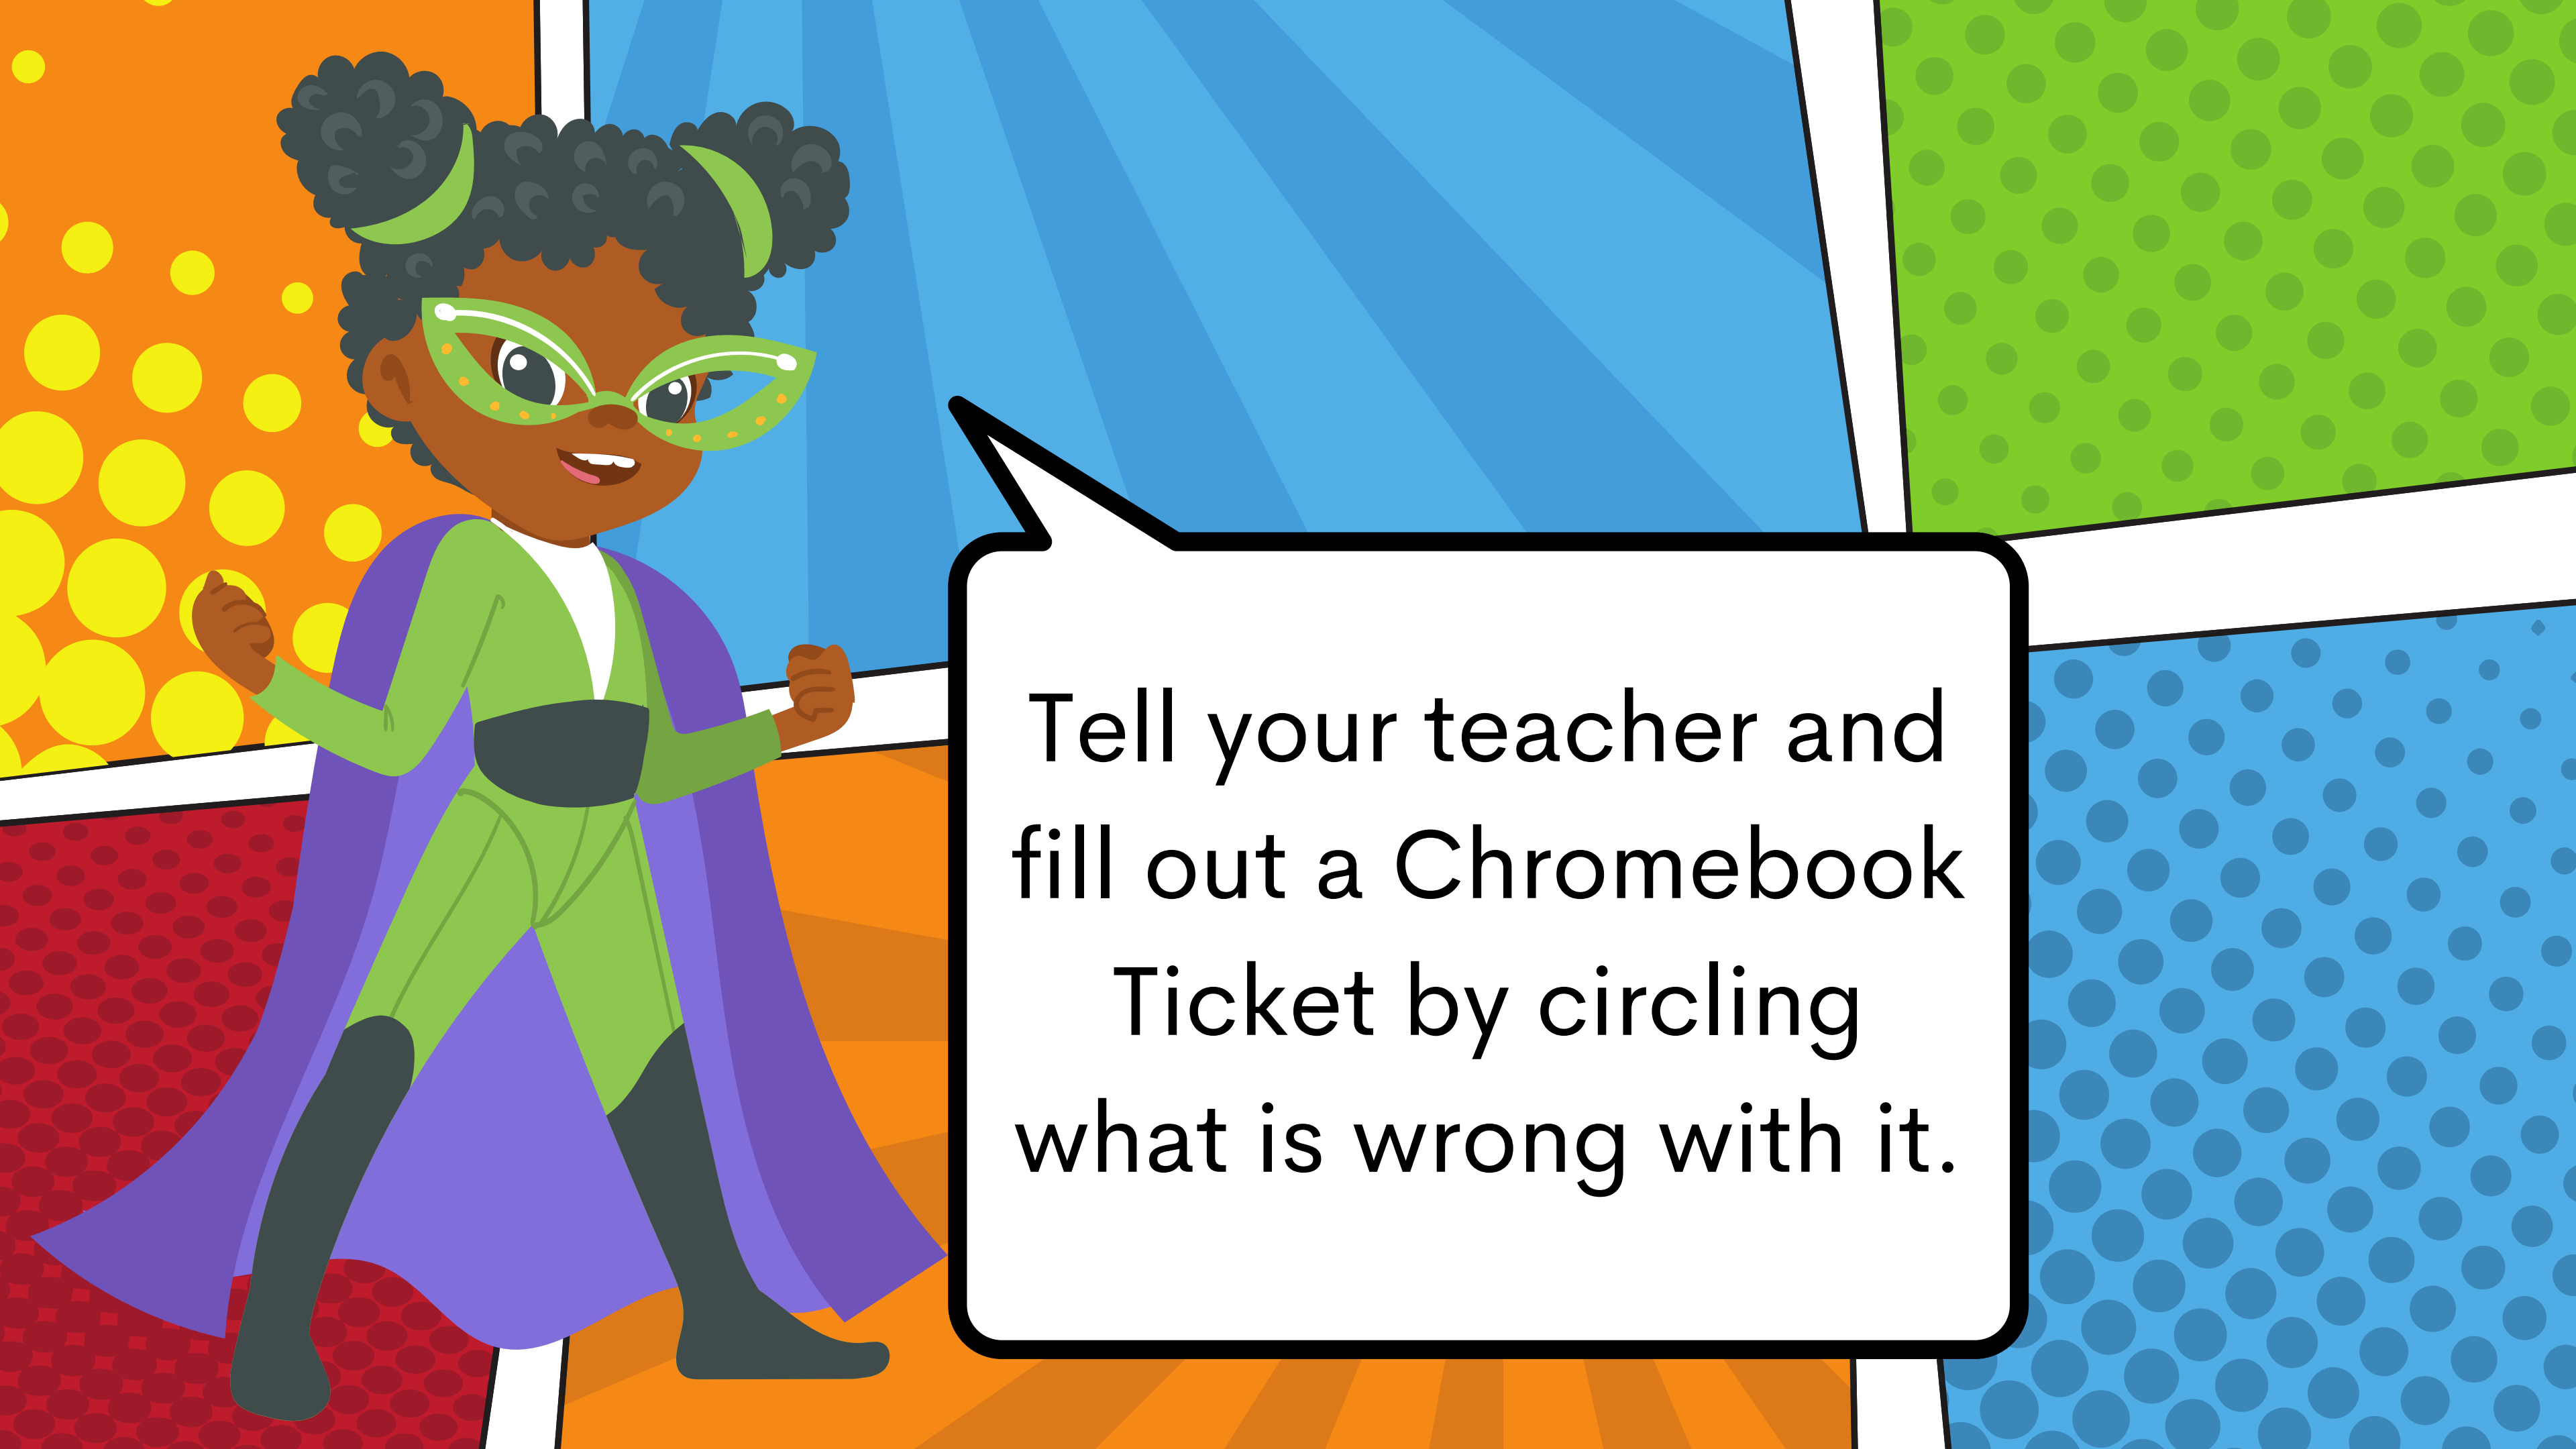

#3

Place it back in the cart
when done and plug it
in so that it can charge.

What do you do if
your
Chromebook is
broken or not
working?

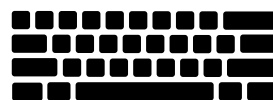

Tell your teacher and
fill out a Chromebook
Ticket by circling
what is wrong with it.

Chromebook Cart:

Monitor issues

Keyboard problem

Power Problems

Slow

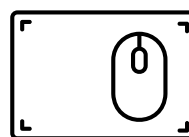

No sound

Battery issues

No Internet

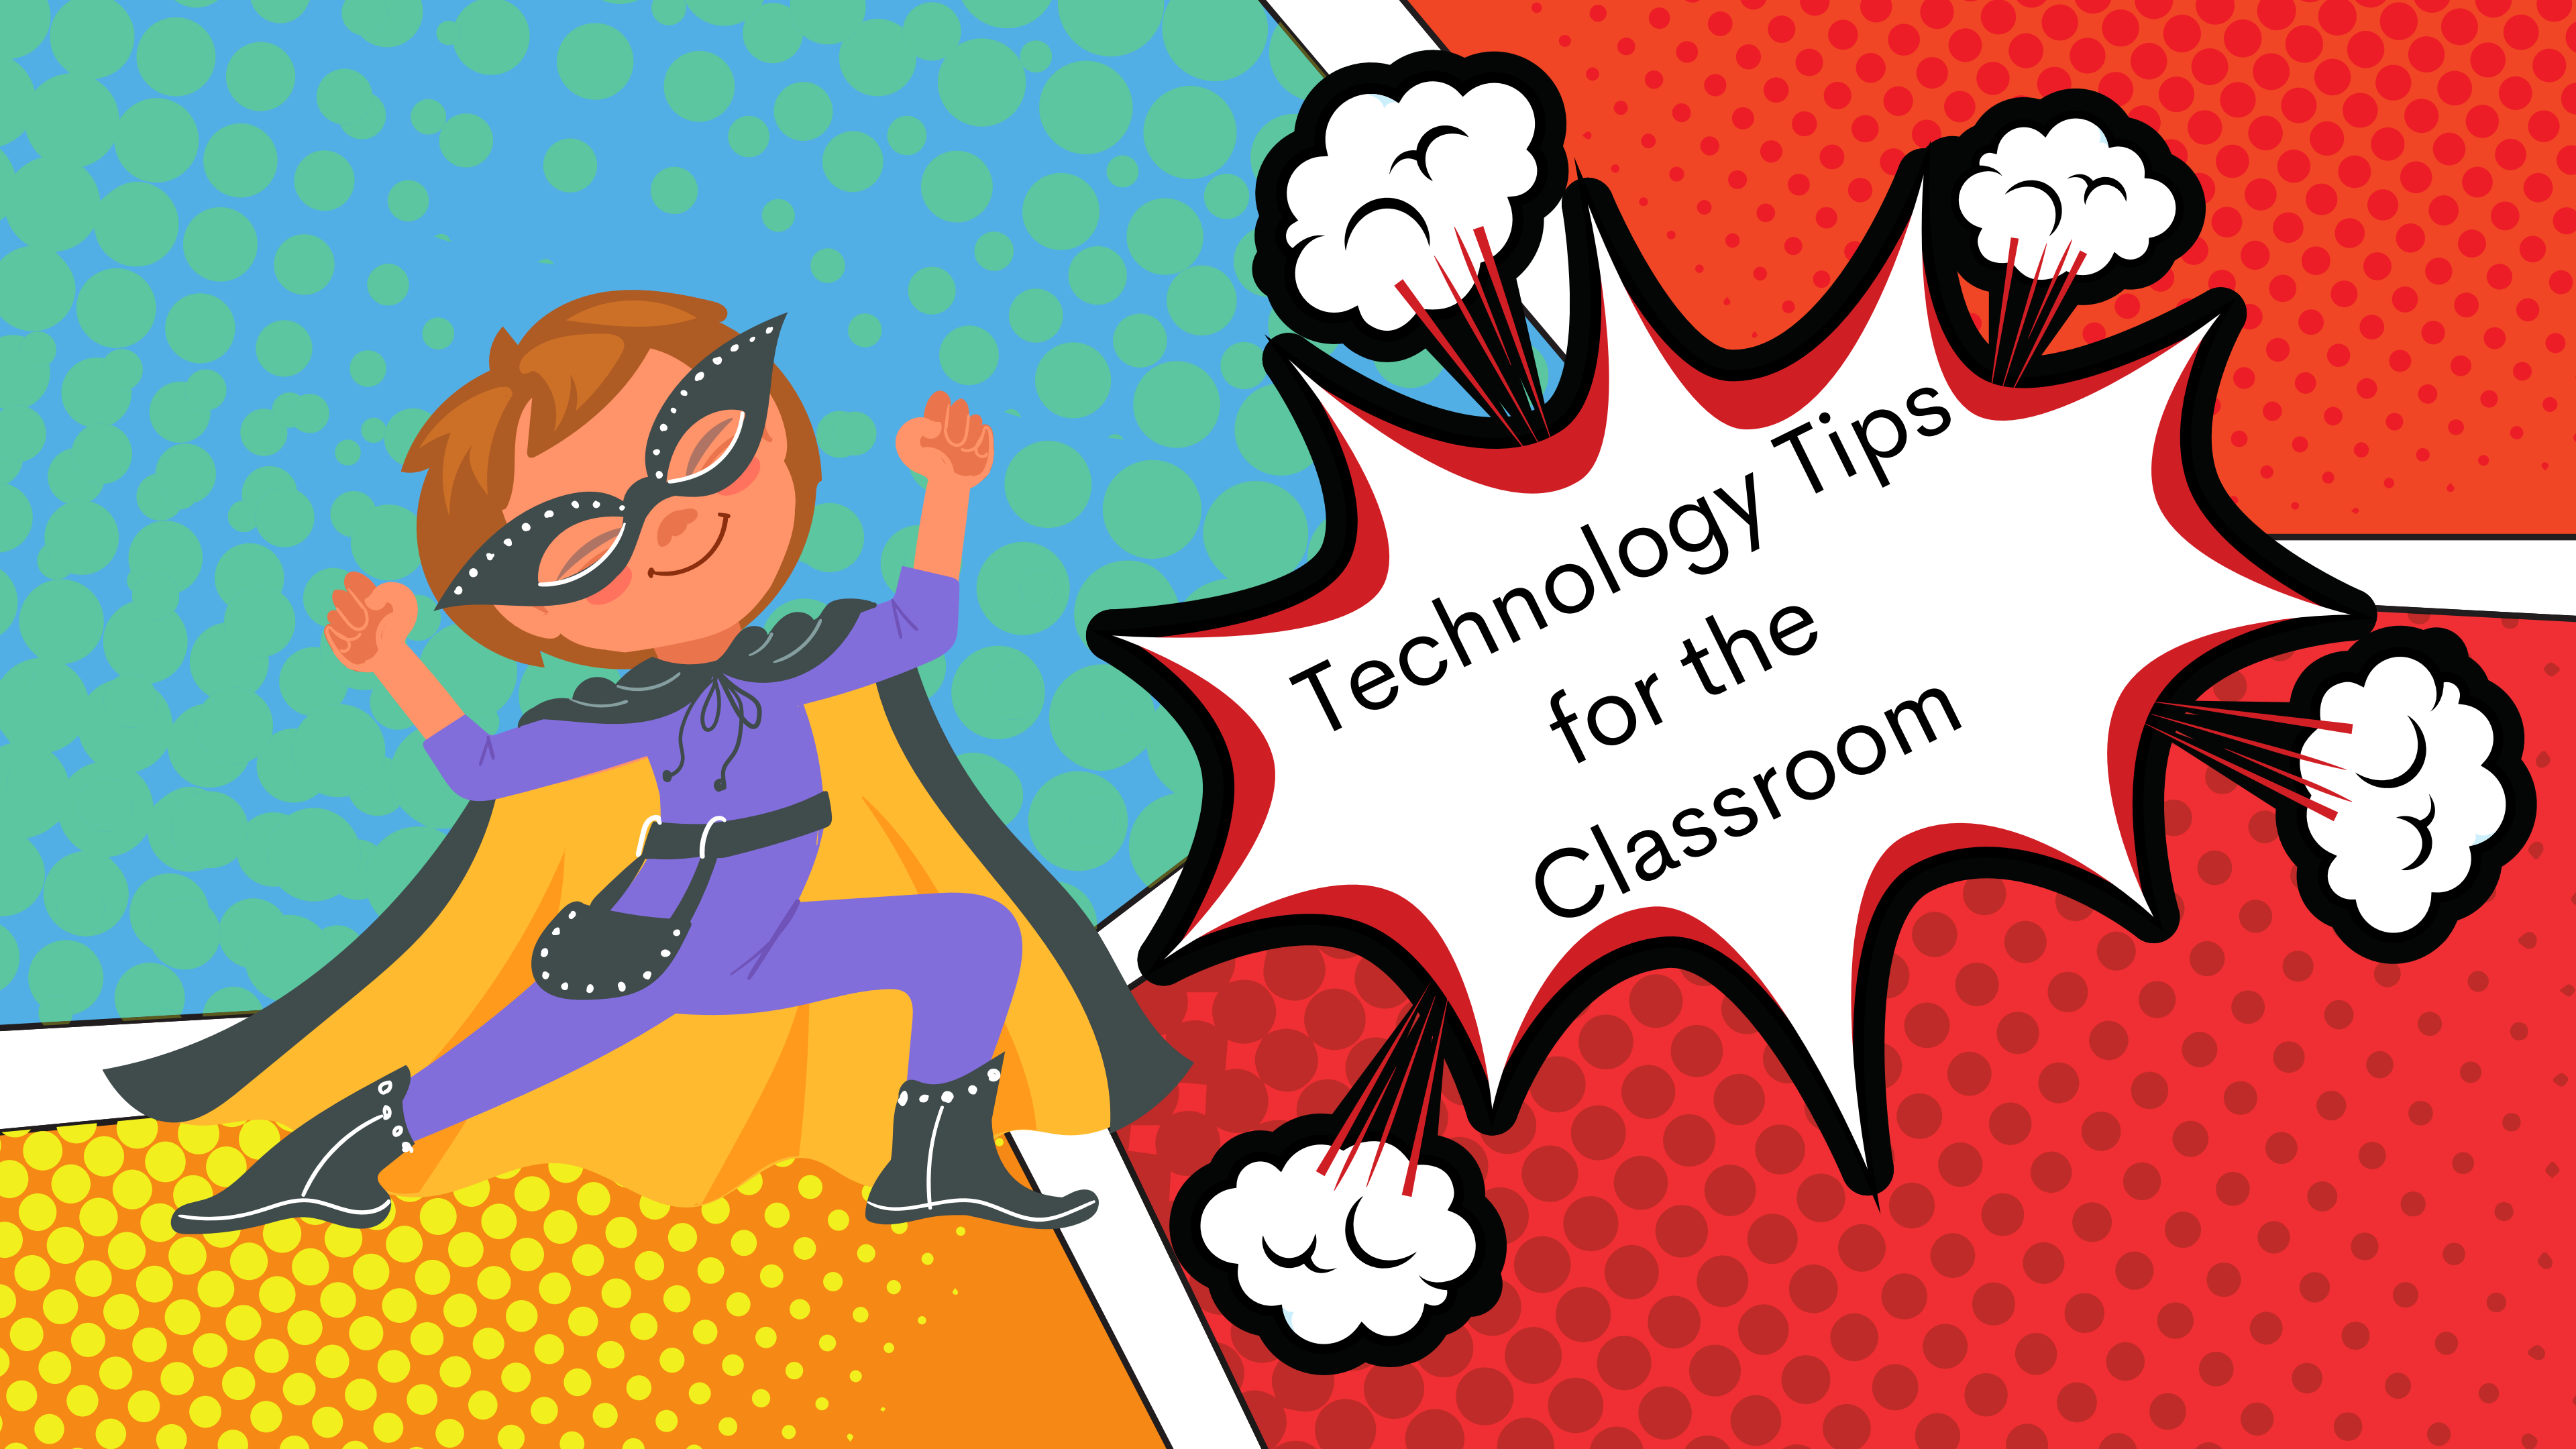

Trackpad
issue

Physical
Damage

Circle the problem,
place it inside of your
Chromebook, and close
the lid. Your teacher will
tell you where to put it for
pickup

Technology Tips
for the
Classroom

#1

Think before you type:

T: is it TRUE?

H: is it HELPFUL?

I: is it INSPIRING?

N: is it NECESSARY?

K: is it KIND?

#2

Inform your teacher if you feel
uncomfortable about anything you
see on online.

A comic book style illustration of a young boy superhero. He has dark brown hair, wears round glasses, a red headband with a flame emblem, a red long-sleeved shirt, a purple cape, and red shoes. He is in a dynamic pose with arms raised and one leg forward. The background features a yellow polka-dot area with a jagged black outline containing the text '#3', a green polka-dot area, and a blue area with radiating lines. A large speech bubble is on the right.

#3

Only open the apps
your teacher asks you
to use.

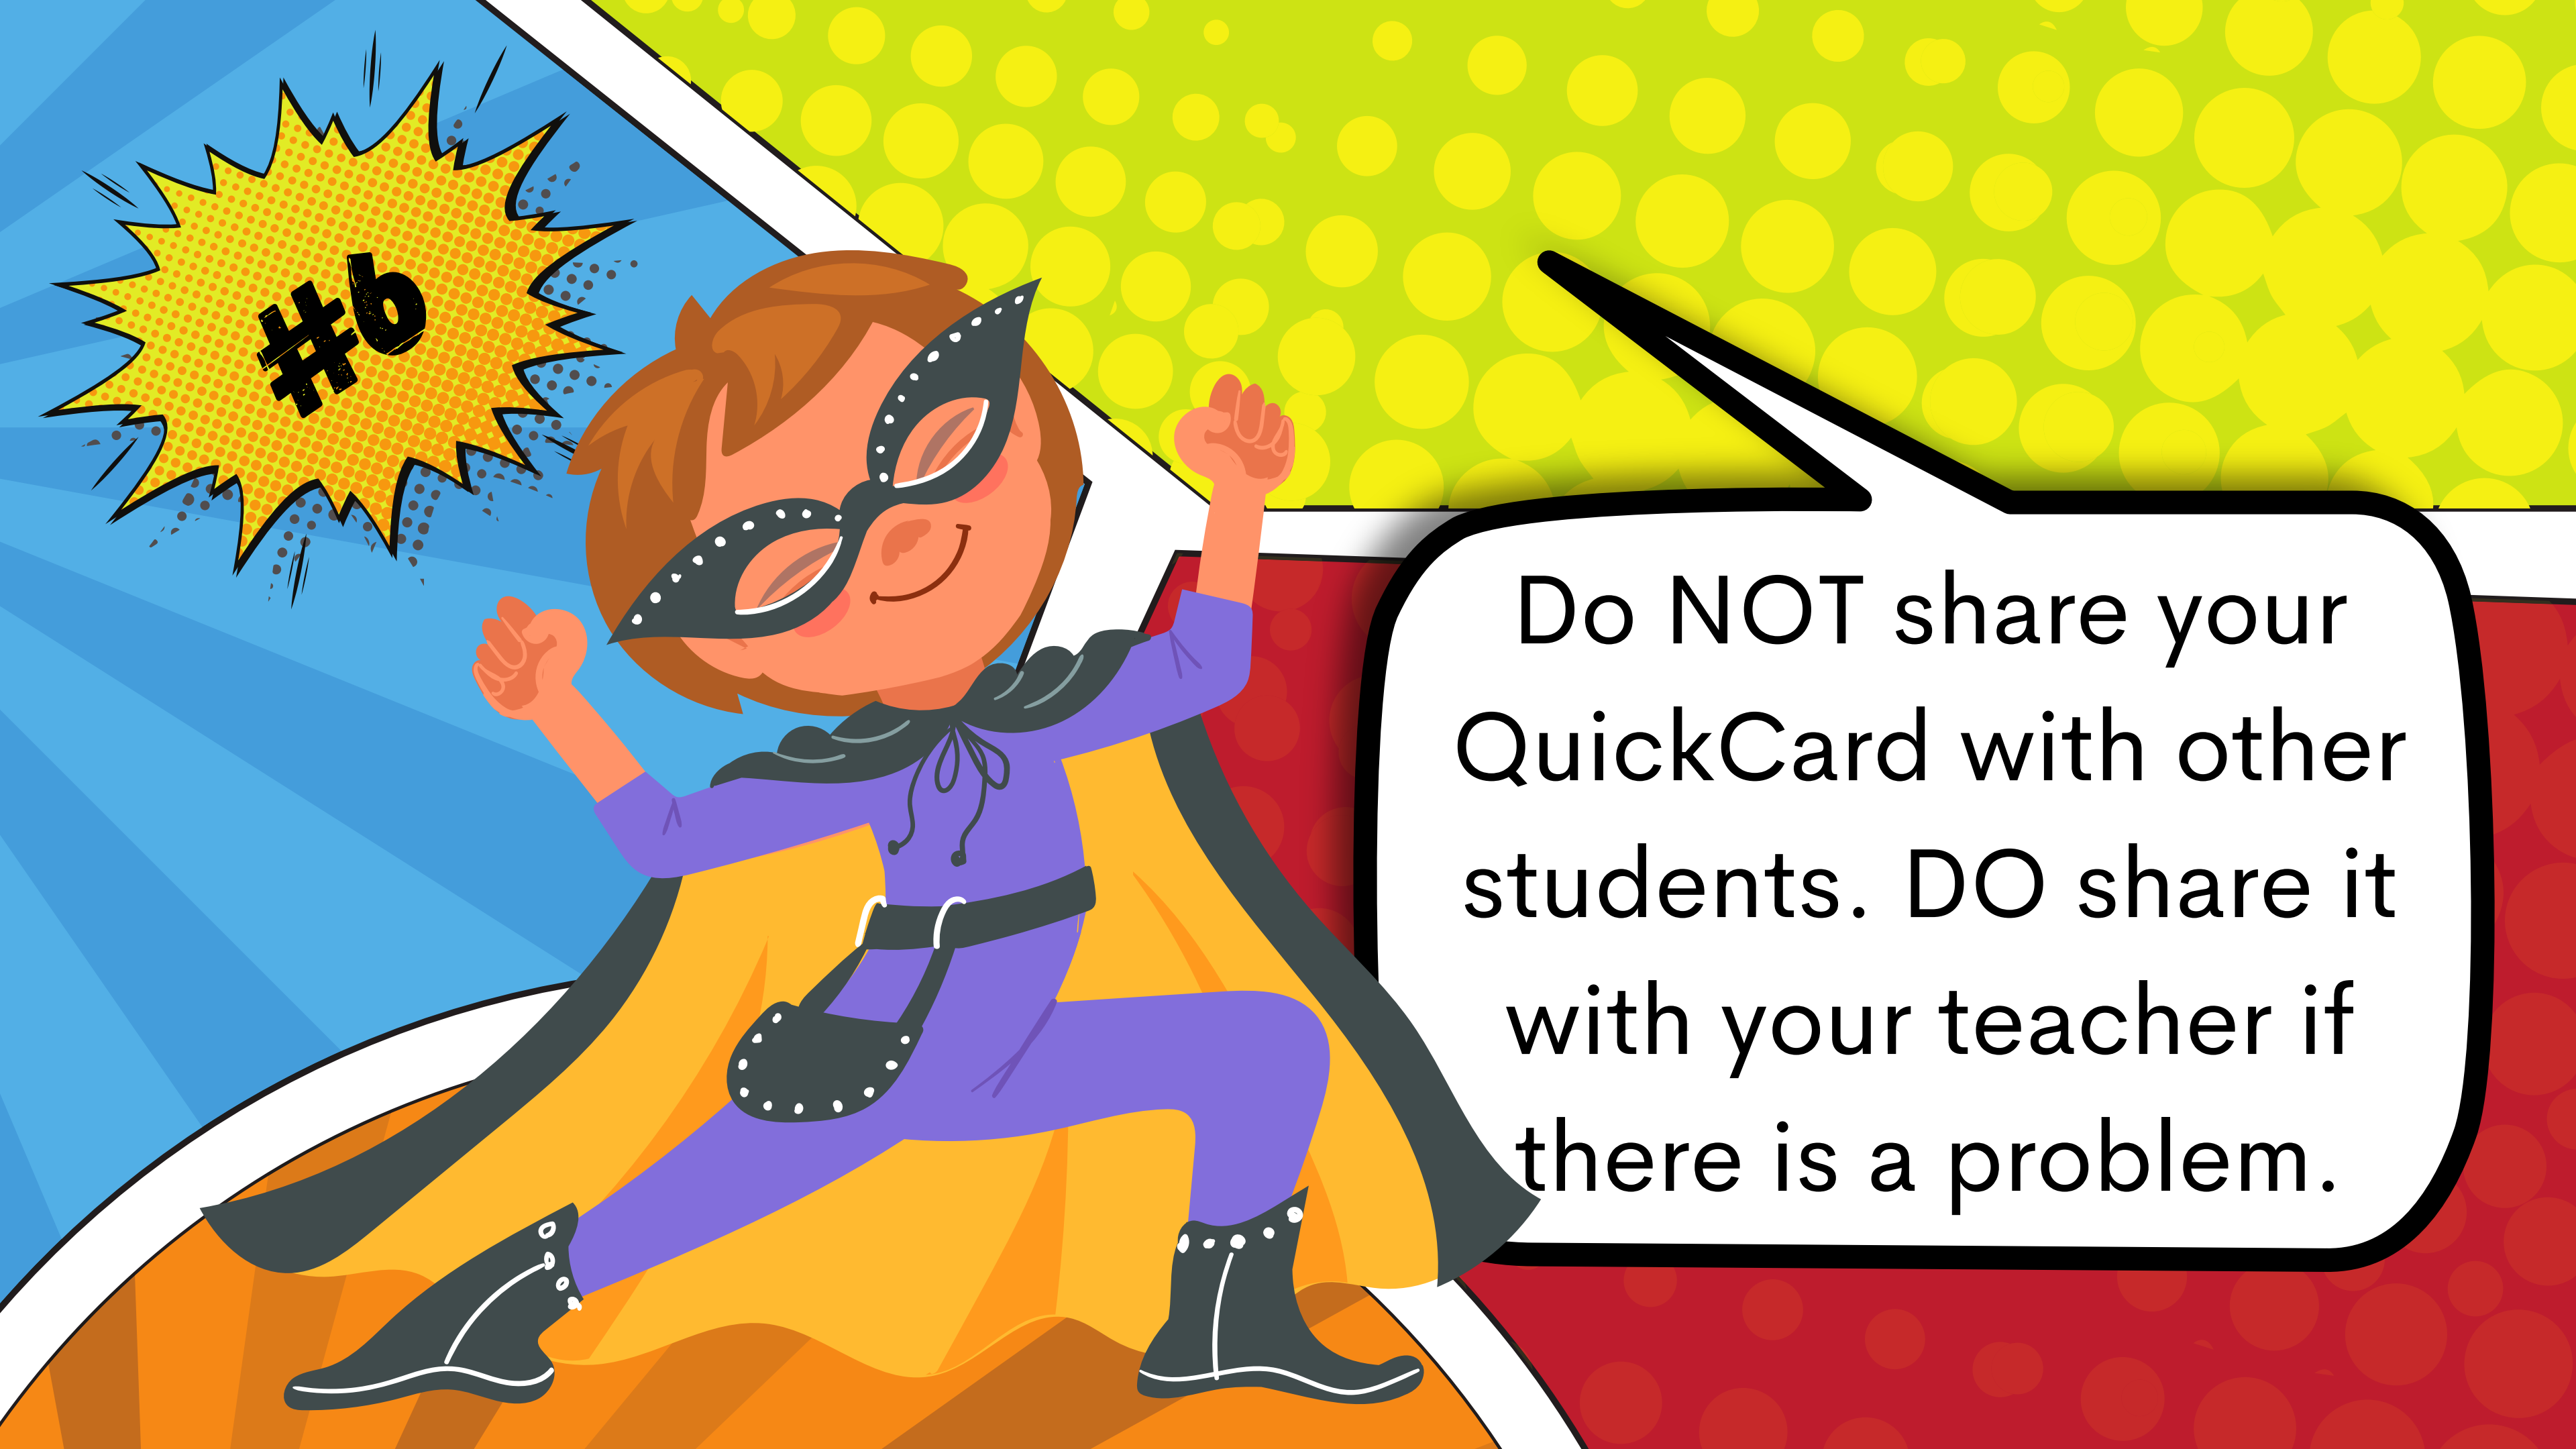

#4

Read directions
before clicking

#5

Stay on school
and teacher
approved
websites

Do NOT share your QuickCard with other students. DO share it with your teacher if there is a problem.
