Blue Hawk Students and Families:

Welcome to a new school year in the Thompson Falls School District! We are excited to be adding our Early Learning Class(EL) this year for 4 year olds. Once again, all students will still receive free breakfast, lunch, and a snack this year, so you will not have to fill out free and reduced forms. Students will have to pay for extra milk, juice, etc.

As in the past, we will be sending out most information through email and posting more on our website and Facebook page. Check out our school and district website at www.thompsonfalls.net for specific information regarding calendars, supply lists, lunch menus, etc. We encourage you all to register and make any corrections or additions to your contact information via Flow Forms at <https://tfps.flowforms.app/form/student-enrollment-form>. The process is quite simple and quicker than coming to school to register or change information.

We invite you all to join us for Open House on Thursday, August 20th to meet your teacher, drop off school supplies, etc. We will start with a brief Title 1 meeting in the cafeteria for anyone interested in learning more about how that program works. If you wish to simply go meet your teacher(s) that is fine as well. Grades EL-6: 5:00-6:00 PM, Grades 7-8: 6:00-7:00 PM.

*EL-4 students should enter through the front door of the elementary where you will find a map to your classes, along with class lists that will be posted August 20th.

*Students in grades 5-6 should enter the dorm building at the east entrance, near the bus lane. Maps and home room lists will be posted August 20th.

*Junior High students can enter the front or rear of the junior high school. Both doors will be open. Maps and home room lists will be posted August 20th.

We look forward to seeing everyone at Open House and on our first day of school, Monday, August 24th. On the first day, we ask that students and families do not enter the building, except for breakfast. Please keep the hallways open as staff make last minute preparations for kids. EL-4 teachers will come outside to meet and gather their classes by 8:10 AM near the flag pole, in front of the elementary. 5-6 teachers will meet students outside by the east/bus lane entrance. 7-8 teachers will meet students outside of the north/back entrance.

Enjoy the rest of your summer!

Len Dorscher, EL-8 Principal
