

2026 Bond Proposal Update

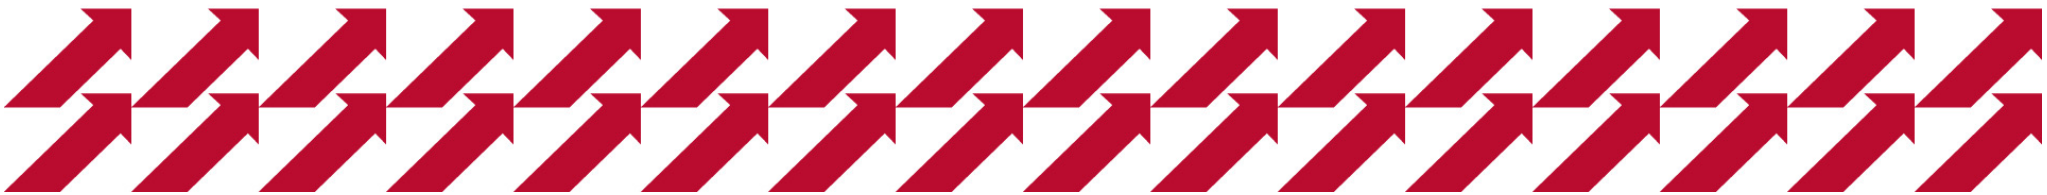

Activity since Board resolution

- Approved by the State Board of Education – July 14, 2026
- Bond project updates
 - Chisholm Trail Elementary
 - Adams Elementary
 - Black Elementary
 - McLean Elementary
- Completed community summer engagement opportunities

Chisholm Trail Elementary

- Rebuilt school would be located in a growth area of Park City that is the focus of significant public investment and long-term planning by the City.
- Notice from Park City of intent to provide land for the rebuild.
- Agreement is contingent upon Question 1 passing in November.

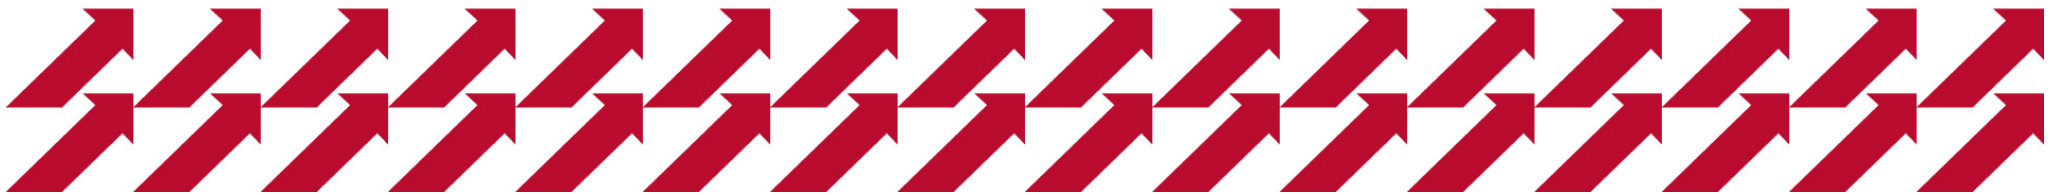

Adams Elementary

- Rebuilt school would be located on the property of Claude Lambe Park.
- Contingent upon the bond passing in November.
- Needs final approval from City Council.
- Alternative option would be to evaluate other potential sites with adequate acreage.

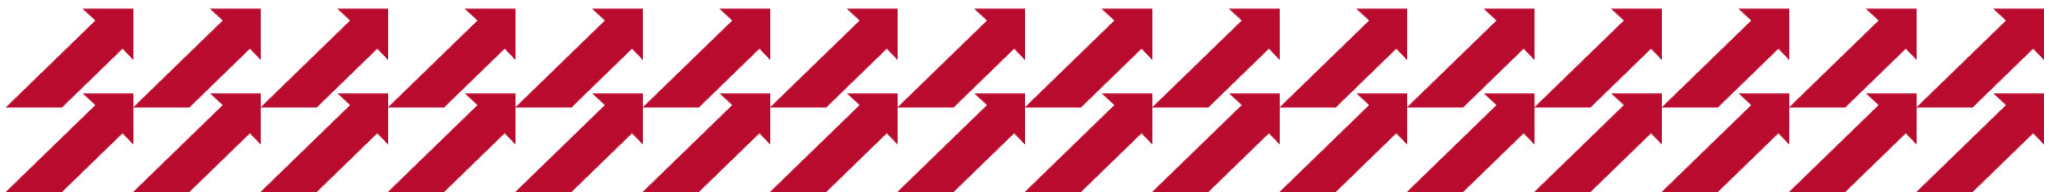

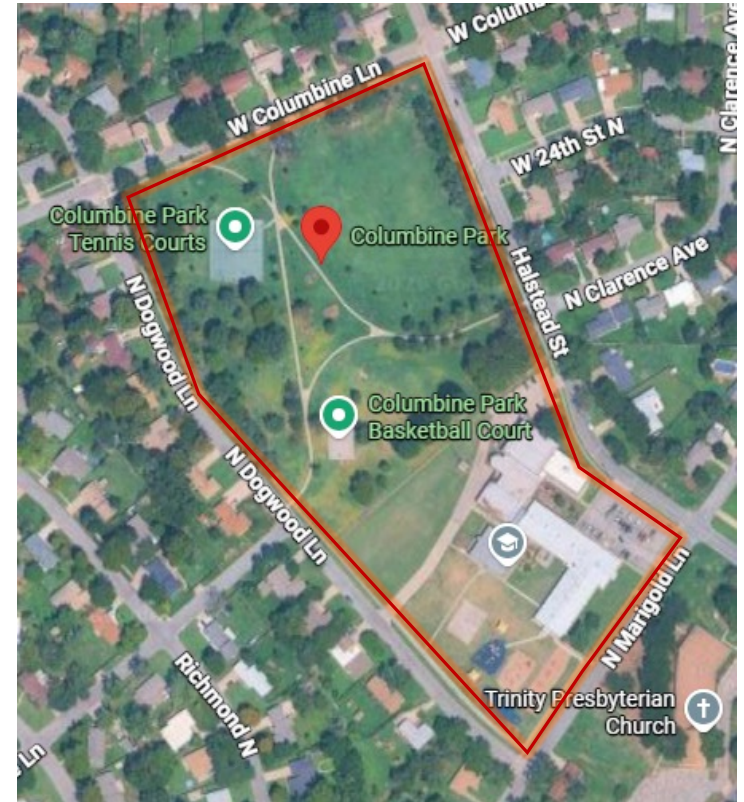

Black Elementary

- Rebuilt school would be located on the property currently home to Gateway Alternative Program on West 15th St.
- Contingent upon the bond passing in November.

McLean Elementary

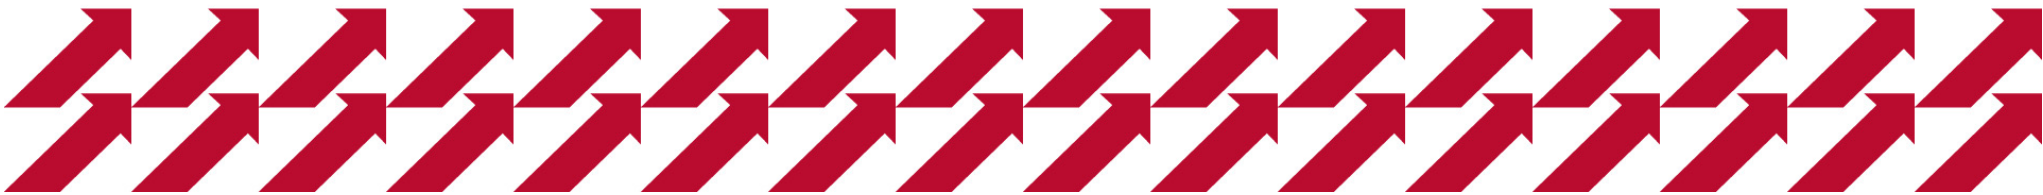

- Current proposal would rebuild school on the existing Columbine Park.
- Contingent upon the bond passing in November.
- Needs final approval from City Council.
- Alternative option would displace students with rebuild on existing site.
