STUDENT DIRECTORY INFORMATION RELEASE

Federal law requires school districts to notify parents and students aged 18 and over as to what the District has designated as “directory information.” As a parent/guardian of students 17 years or younger, or as a student age 18 or older, you have the right to choose to release directory information to third parties. As of January 25, 2025, directory information will only be released for students whose parents/guardian or students age 18 or older have elected, in writing, to release their directory information to third parties.

What is Student Directory Information?

Student directory information includes the following:

- Name, address and date of birth of student
 - Student grade level, school, and dates of attendance
 - Weight and height of members of athletic teams
- Degrees and awards received (honor roll and graduation lists)
 - School photo
 - Participation in officially recognized activities and sports
 - Telephone number of student

If you do **allow the release** directory information, place a check in any or all of the boxes below. **If left unchecked, you do not want your child's directory information released.**

☐ My child's directory information **can be** released for school sponsored purposes.
If checked, I understand my child will be included in athletic team rosters, graduation and honor rolls, school publications such as a playbill or yearbook, etc.

☐ Photographs or video of my child **can be** published on the school/district website, in social media or through news media.

☐ My child's directory information **can be** released for **any other purpose**.

☐ My child's directory information (name, address and telephone number) **can be** released to the Military/United States Armed Forces Recruiting Agencies (for students in grades 11 and 12 only).

INSTRUCTIONAL MATERIALS OPT OUT NOTIFICATION

In Providence Public Schools we are committed to fostering student belonging and inclusivity. Our instructional materials seek to be representative of a diverse array of students and families. The 2025 US Supreme Court case *Mahmoud v. Taylor* ruling requires school districts to provide parents and guardians with notice about lessons involving LGBTQ+ inclusive materials and to allow them to opt their children out of those lessons based on religious objections. If you wish to receive these notices with the opportunity to opt-out, please check the box below, and PPSD will provide these opt-out notices in compliance with this ruling.

☐ Please check here if you wish to receive opt-out notices in accordance with *Mahmoud v. Taylor*.
